Cooperation will reduce End-Payor Plaintiffs' substantial burden and expense associated with prosecuting the Actions; and

WHEREAS, End-Payor Plaintiffs recognize the benefits of the Mitsubishi Electric Defendants' Cooperation and recognize that because of joint and several liability, this Agreement with the Mitsubishi Electric Defendants does not impair End-Payor Plaintiffs' ability to collect damages to which they and the Settlement Classes (as defined below) may be entitled to in the Actions from non-Releasees under governing law;

NOW, THEREFORE, in consideration of the covenants, agreements, and releases set forth herein and for other good and valuable consideration, it is agreed by and among the undersigned that the Actions be settled, compromised, and dismissed on the merits with prejudice as to the Releasees, as defined below, and except as hereinafter provided, without costs as to End-Payor Plaintiffs, the Settlement Classes, the Mitsubishi Electric Defendants or other Releasees, subject to the approval of the Court, on the following terms and conditions:

C. Release, Discharge, and Covenant Not to Sue

36. In addition to the effect of any final judgment entered in accordance with this Agreement, upon this Agreement becoming final, as set out in Paragraph 34 of this Agreement, and in consideration of payment of the Settlement Amount as specified in Paragraph 38 of this Agreement, the injunction to be entered as described in Paragraph 33(g) of this Agreement, and for other valuable consideration, the Releasees shall be completely released, acquitted, and forever discharged from any and all claims, demands, actions, suits, causes of action, whether class, individual, or otherwise in nature (whether or not any Settlement Class Member has objected to this Agreement or makes a claim upon or participates in the below-described Settlement Funds whether directly, representatively, derivatively or in any other capacity) that Releasers, or each of them, ever had, now has, or hereafter can, shall, or may ever have, that now exist or may exist in the future, on account of, or in any way related to, the conduct alleged in the Complaints or the Proposed Consolidated Amended Complaint or any act or omission of the Releasees (or any of them) concerning all Released Parts, including but not limited to any conduct alleged, and causes of action asserted or that could have been alleged or asserted, in any class action or other complaints filed in the Actions concerning Released Parts, provided, however, that nothing herein shall release: (1) any claims made by direct purchasers of Released Parts; (2) any claims made by automotive dealerships that are indirect purchasers of Released Parts in the MDL Proceeding (“Automotive Dealership Plaintiffs”); (3) any claims made by any State, State agency, or instrumentality or political subdivision of a State, as to government purchases and/or penalties relating to Released Parts; (4) claims involving any negligence, personal injury, breach of contract, bailment, failure to deliver lost goods, damaged or delayed goods, product defect, warranty, securities, or similar claim relating to Released Parts; (5) claims concerning any product other than Released Parts; (6) claims under laws other than those of the

United States relating to purchases of Released Parts made outside of the United States; and (7) damage claims under the state or local laws of any jurisdiction other than an Indirect Purchaser State (“Released Claims”). Releasors shall not, after the date of this Agreement, seek to establish liability against any Releasee based, in whole or in part, upon any of the Released Claims or conduct at issue in the Released Claims unless this Agreement is, for any reason, not finally approved or terminated.

37. In addition to the provisions of Paragraph 36 of this Agreement, Releasors hereby expressly waive and release, with respect to the Released Claims, upon this Agreement becoming final, any and all provisions, rights, and benefits conferred by section 1542 of the California Civil Code, which states:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR[;]

or by any law of any state or territory of the United States, or principle of common law, which is similar, comparable, or equivalent to section 1542 of the California Civil Code. Each Releasor may hereafter discover facts other than or different from those which he, she, or it knows or believes to be true with respect to the claims which are released pursuant to the provisions of Paragraph 36 of this Agreement, but each Releasor hereby expressly waives and fully, finally, and forever settles and releases, upon this Agreement becoming final, any known or unknown, suspected or unsuspected, contingent or non-contingent claim that the Mitsubishi Electric Defendants and End-Payor Plaintiffs have agreed to release pursuant to Paragraph 36, whether or not concealed or hidden, without regard to the subsequent discovery or existence of such different or additional facts.

D. Settlement Payment

38. Subject to the provisions hereof, the Mitsubishi Electric Defendants shall pay or cause to be paid the Settlement Amount. The Settlement Amount shall be paid in United States Dollars to one or more escrow accounts (“Escrow Account(s)”) established by Settlement Class Counsel (the “Settlement Funds”). Such Settlement Funds shall be administered in accordance with the provisions of Paragraph 40 of this Agreement. Mitsubishi Electric Defendants shall transfer the Settlement Amount to the Settlement Funds by wiring such funds to the Escrow Account(s) within thirty (30) days following the later of (a) the date the court grants Preliminary Approval or (b) the Mitsubishi Electric Defendants being provided with the account number, account name, and wiring information for the Escrow Account(s). No part of the Settlement Amount paid by the Mitsubishi Electric Defendants shall constitute, nor shall it be construed or treated as constituting, a payment for treble damages, fines, penalties, forfeitures or punitive recoveries.

39. The allocation of the Settlement Amount to each Settlement Class as defined in Paragraph 23 above shall be determined by Settlement Class Counsel and subject to approval by the Court after notice to the Settlement Classes as directed by the Court.

E. Qualified Settlement Fund

40. (a) The Escrow Account(s) will be established at Wells Fargo Bank with such Bank serving as escrow agent (“Escrow Agent”) subject to one or more escrow agreements mutually acceptable to Settlement Class Counsel and the Mitsubishi Electric Defendants, such escrow to be subject to the Court’s supervision and control. In addition, Settlement Class Counsel shall timely make such elections as necessary or advisable to carry out the provisions of this Paragraph 40. Such elections shall be made in compliance with the procedures and requirements contained in any applicable regulations.

(b) End-Payor Plaintiffs and the Mitsubishi Electric Defendants agree to treat the Settlement Funds as being at all times a “Qualified Settlement Fund” within the meaning of Treasury Regulation § 1.468B-1. All provisions of this Agreement shall be interpreted in a manner that is consistent with the Settlement Funds being a “Qualified Settlement Fund” within the meaning of Treasury Regulation § 1.468B-1.

(c) For the purpose of § 468B of the Internal Revenue Code of 1986, as amended, and the regulations promulgated thereunder, the administrator for the Settlement Funds shall be Settlement Class Counsel. Settlement Class Counsel shall cause the timely and proper filing of all informational and other tax returns necessary or advisable with respect to the Settlement Funds (including, without limitation, the returns described in Treasury Regulation § 1.468B-2(k) and (l)). Settlement Class Counsel shall make a “relation-back election” (as defined in Treasury Regulation § 1.468B-1(j)) back to the earliest permitted date, if available. Such returns (as well as the relation-back election described in this Paragraph 40(c)) shall be consistent with the Settlement Funds’ status as a Qualified Settlement Fund and in all events shall reflect that all Taxes, as defined below (including any estimated Taxes, interest or penalties), on the Settlement Funds shall be paid out of the Settlement Funds as provided in Paragraph 40(f) hereof. It shall be the responsibility of Settlement Class Counsel to cause the timely and proper preparation and delivery of the necessary documentation for signature by all necessary parties, and thereafter to cause the appropriate filing to occur.

(d) The Escrow Agent shall cause the Settlement Funds to be invested in short-term instruments backed by the full faith and credit of the United States Government or fully insured in writing by the United States Government, or money market funds rated Aaa and AAA, respectively, by Moody’s Investor Services and Standard and Poor’s, invested substantially in

such instruments, and shall reinvest any income from these instruments and the proceeds of these instruments as they mature in similar instruments at their then current market rates. The Mitsubishi Electric Defendants shall bear no risk related to the Settlement Funds. All funds held in the Settlement Funds shall be deemed and considered to be in custodia legis of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to this Agreement or further order(s) of the Court.

(e) All (1) taxes (including any estimated taxes, interest or penalties) arising with respect to the Settlement Funds, including any taxes or tax detriments that may be imposed upon the Mitsubishi Electric Defendants or any Releasee with respect to the Settlement Funds for any period during which the Settlement Funds do not qualify as a Qualified Settlement Fund for federal or state income tax purposes (“Taxes”); and (2) expenses and costs incurred in connection with the operation and implementation of this Paragraph 40 (including, without limitation, expenses of tax attorneys and/or accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the returns described in this Paragraph 40 (“Tax Expenses”)), shall be paid out of the Settlement Funds. For the purpose of this Paragraph 40, references to the Settlement Funds shall include the Settlement Amount and any earnings thereon after being deposited in the Escrow Account(s).

(f) Neither the Mitsubishi Electric Defendants nor any Releasee nor their respective counsel shall have any liability or responsibility for the Taxes or the Tax Expenses or the filing of any tax returns or other documents with the Internal Revenue Service or any other taxing authority. The Escrow Agent and Settlement Class Counsel shall indemnify and hold the Mitsubishi Electric Defendants and the Releasees harmless for Taxes and Tax Expenses (including taxes payable by reason of such indemnification). Further, Taxes and Tax Expenses

shall be treated as, and considered to be, a cost of administration of the Settlement Funds and shall be timely paid by the Settlement Class Counsel out of the Settlement Funds without prior order from the Court and Settlement Class Counsel shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to any claimants authorized by the Court any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treasury Regulation § 1.468B-2(l)(2)). The Mitsubishi Electric Defendants or any Releasees shall not be responsible or have any liability therefor or for any reporting requirements that may relate thereto. Mitsubishi Electric Defendants and Settlement Class Counsel agree to cooperate with each other and their tax attorneys and accountants to the extent reasonably necessary to carry out the provisions of this Paragraph 40.

(g) If this Agreement does not receive Final Court Approval, then the Settlement Amount (other than costs incurred and expended in accordance with Paragraph 42), shall be returned to the Mitsubishi Electric Defendants from the Settlement Funds along with any interest accrued thereon within thirty (30) calendar days of the Court's final determination.

F. Exclusions

41. Subject to Court approval, any person or entity seeking exclusion from the Settlement Class(es) must file a written request for exclusion by the Opt-Out Deadline. Any person or entity that files such a request shall be excluded from the Settlement Class(es) and shall have no rights with respect to this settlement. Subject to Court approval, a request for exclusion that does not comply with all of the provisions set forth in the applicable class notice will be invalid, and the person(s) or entity(ies) serving such an invalid request shall be deemed Settlement Class Member(s) and shall be bound by this Agreement upon Final Court Approval. Settlement Class Counsel shall, within ten (10) business days of the Opt Out Deadline, provide

the Mitsubishi Electric Defendants with a list and copies of all opt out requests it receives in each of the Actions and shall file under seal with the Court a list of all members of the Settlement Classes who timely and validly opted out of the settlement.

(a) Subject to Court Approval, any member of the Settlement Class(es) who submits a valid and timely request for exclusion will not be a Settlement Class Member and shall not be bound by the terms of this Agreement. The Mitsubishi Electric Defendants reserve all of their legal rights and defenses, including, but not limited to, any defenses relating to whether any excluded member of the Settlement Classes is an indirect purchaser of Released Parts.

(b) Subject to Court Approval, in the written request for exclusion, the member of the Settlement Classes must state his, her, or its full name, address, and telephone number. Further, the member of the Settlement Classes must include a statement in the written request for exclusion that he, she, or it wishes to be excluded from the settlement.

(c) The Mitsubishi Electric Defendants or Settlement Class Counsel may dispute an exclusion request, and the parties shall, if possible, resolve the disputed exclusion request by agreement and shall inform the Court of their position, and, if necessary, obtain a ruling thereon within thirty (30) days of the Opt-Out Deadline.

G. Payment of Expenses

42. The Mitsubishi Electric Defendants agree to permit use of a maximum of USD \$1,000,000 of the Settlement Funds toward the cost of providing notice to the Settlement Classes and the costs of administration of the Settlement Funds prior to Final Court Approval after it is paid into the Settlement Funds. To the extent such expenses have been actually incurred or paid for notice and administration costs, those notice and administration expenses (up to the maximum of USD \$1,000,000) are not recoupable if this settlement does not become final or is terminated. The Escrow Agent shall return all remaining portions of the Settlement Funds to the

Mitsubishi Electric Defendants should this Agreement not receive Final Court Approval. Other than as set forth in this Paragraph 42, or as authorized by the Court pursuant to Paragraph 40 to be paid from the Settlement Amount, the Mitsubishi Electric Defendants shall not be liable for any of the costs or expenses of the litigation incurred by End-Payor Plaintiffs in the Actions, including attorneys' fees; fees and expenses of expert witnesses and consultants; and costs and expenses associated with discovery, motion practice, hearings before the Court or any Special Master, appeals, trials or the negotiation of other settlements, or for Settlement Class administration and costs.

H. The Settlement Funds

43. Releasors shall look solely to the Settlement Funds for settlement and satisfaction against the Releasees of all Released Claims, and shall have no other recovery against the Mitsubishi Electric Defendants or any Releasee for any Released Claims.

44. After this Agreement becomes final within the meaning of Paragraph 34, and at a time to be determined by Settlement Class Counsel, the Settlement Funds shall be distributed in accordance with plans to be submitted, subject to approval by the Court. In no event shall any Releasee have any responsibility, financial obligation, or liability whatsoever with respect to the investment, distribution, or administration of the Settlement Funds, including, but not limited to, the costs and expenses of such distribution and administration, with the exception of the provisions set forth in Paragraph 42 of this Agreement.

I. Settlement Class Counsel's Attorneys' Fees, Reimbursement of Expenses, and Incentive Awards for Class Representatives

45. End-Payor Plaintiffs and Settlement Class Counsel shall be reimbursed subject to Court approval and indemnified solely out of the Settlement Funds for their costs and expenses. The Mitsubishi Electric Defendants and the Releasees shall not be liable for any additional costs,

fees, or expenses of any of End-Payor Plaintiffs' or the Settlement Classes' respective attorneys, experts, advisors, agents, or representatives, but all such costs, fees, and expenses as approved by the Court shall be paid out of the Settlement Funds.

46. (a) Settlement Class Counsel may, after Preliminary Approval of this Agreement at a time to be determined in their sole discretion, submit an application to the Court ("Fee and Expense Application") for the following payments to be made to Settlement Class Counsel after Final Court Approval of this Agreement: (1) an award of attorneys' fees not in excess of one-third of the sum of the Settlement Amount and any interest accrued thereon while in the Settlement Funds, plus (2) reimbursement of expenses and costs incurred in connection with prosecuting the Actions and incentive awards ("Fee and Expense Award"). Settlement Class Counsel reserve the right to make additional applications from time to time for fees and expenses incurred and reasonable incentive awards, but in no event shall Releasees be responsible to pay any such additional fees and expenses except to the extent they are paid out of the Settlement Funds.

(b) Subject to Court approval and except as provided herein, End-Payor Plaintiffs and Settlement Class Counsel shall be reimbursed and paid solely out of the Settlement Funds for all expenses including, but not limited to, attorneys' fees and past, current, or future litigation expenses and incentive awards. Attorneys' fees and expenses awarded by the Court shall be payable from the Settlement Funds upon award, notwithstanding the existence of any timely filed objections thereto, or potential appeal therefrom, or collateral attack on the settlement or any part thereof, subject to Settlement Class Counsel's obligation to make appropriate refunds or repayments to the Settlement Funds, if and when, as a result of any appeal and/or further proceedings on remand, or successful collateral attack, the fee or award of expenses is reduced or

reversed, or in the event this Agreement is rescinded or terminated pursuant to Paragraphs 62 or 63.

(c) The procedure for and the allowance or disallowance by the Court of the application by Settlement Class Counsel for attorneys' fees, costs and expenses, and incentive awards for class representatives to be paid out of the Settlement Funds are not part of this Agreement, and are to be considered by the Court separately from the Court's consideration of the fairness, reasonableness and adequacy of the settlement, and any order or proceeding relating to the Fee and Expense Application, or any appeal from any such order shall not operate to terminate or cancel this Agreement, or affect or delay the finality of the judgment approving the settlement.

(d) Other than to pay the Settlement Amount, as provided herein, neither the Mitsubishi Electric Defendants nor any Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to any payment to Settlement Class Counsel of any Fee and Expense Award in the Actions.

(e) Neither the Mitsubishi Electric Defendants nor any Releasee under this Agreement shall have any responsibility for, or interest in, or liability whatsoever with respect to the allocation among Settlement Class Counsel, and/or any other person who may assert some claim thereto, of any Fee and Expense Award that the Court may make in the Actions.

J. Cooperation

47. In return for the release and discharge provided herein, in addition to the Settlement Amount, the Mitsubishi Electric Defendants agree to provide substantial cooperation to End-Payor Plaintiffs as set forth below ("Cooperation"). All such Cooperation shall occur in a manner that is in compliance with the Mitsubishi Electric Defendants' obligations to any Government Entity (meaning the United States Department of Justice ("DOJ"), the Japanese Fair

Trade Commission, the European Commission, the Canadian Competition Bureau, or any other government entity). The Mitsubishi Electric Defendants shall not be required to provide Documents or information protected by the attorney-client privilege, the attorney work product doctrine, any applicable privilege under foreign law, or whose disclosure is prohibited by court order, any foreign or domestic law, or by a Government Entity. Should the Mitsubishi Electric Defendants withhold any materials pursuant to the foregoing sentence, the Mitsubishi Electric Defendants will so inform the End-Payor Plaintiffs and will describe the basis for such withholding to the extent permissible under applicable law. Cooperation shall be limited to Released Parts and shall not include information relating to other products manufactured by the Mitsubishi Electric Defendants and/or Releasees.

48. Transactional Data. At the request of End-Payor Plaintiffs and subject to meet and confer with the Mitsubishi Electric Defendants as to any reasonable limitations on this obligation, the Mitsubishi Electric Defendants will produce within one hundred eighty (180) days, pre-existing transactional data related to Alternators, Starters, Ignition Coils, Fuel Injection Systems, Valve Timing Control Devices (also referred to as variable valve timing devices and/or variable timing control devices), Automotive Wire Harness Systems, HID Ballasts, and Electronic Powered Steering Assemblies. The Mitsubishi Electric Defendants will use reasonable efforts to produce the foregoing transactional data as soon as reasonably possible after execution of the Agreement. The Mitsubishi Electric Defendants will produce additional transactional data as to any other Automotive Parts at the request of the End-Payor Plaintiffs, subject to reasonable limitation. The time period for this production will be from January 1, 1996 to a date no later than two years after the execution date of this Agreement. The precise end-date for this production obligation will be agreed upon by the parties in subsequent meet and confer

discussions, taking into account the burden of producing the transactional data and the End-Payor Plaintiffs' need for that data.

49. Documents. The Mitsubishi Electric Defendants have provided to Jenner & Block a substantial number of potentially relevant Documents ("Relevant Documents") in connection with investigations by various Government Entities and in connection with the MDL Proceeding. The Mitsubishi Electric Defendants will make the Relevant Documents available for inspection and copying by the End-Payor Plaintiffs, provided that the Mitsubishi Electric Defendants will not be required to make available to End-Payor Plaintiffs any documents protected by the attorney-client privilege, the attorney work product doctrine, any applicable privilege under foreign law, or whose disclosure is prohibited by any court order, foreign or domestic law, or by a Government Entity. As to Documents in their possession, custody, or control that are not Relevant Documents (as defined above), the Mitsubishi Electric Defendants will consider in good faith any reasonable request by End-Payor Plaintiffs to collect and make such Documents available for inspection and copying, provided the request would not impose an undue burden on the Mitsubishi Electric Defendants.

50. The Mitsubishi Electric Defendants will have no obligation to collect, search, produce, or make available to the End-Payor Plaintiffs any Documents created on or after July 19, 2011, except that the Mitsubishi Electric Defendants agree to produce certain Documents that relate to the Mitsubishi Electric Defendants' responses to Requests for Quotation and price-reduction requests made after July 19, 2011, subject to reasonable limitations to be agreed upon by the parties in subsequent meet and confer discussions.

51. Should the Mitsubishi Electric Defendants inadvertently disclose Documents protected by the attorney-client privilege, the attorney work product doctrine, any applicable

privilege under foreign law, or whose disclosure is prohibited by any court order, foreign or domestic law, or by a Government Entity, End-Payor Plaintiffs agree (a) that such disclosure does not constitute a waiver of any applicable privilege or confidentiality requirement and (b) to return such documents to the Mitsubishi Electric Defendants upon a written request from the Mitsubishi Electric Defendants.

52. Other Cooperation. At the request of End-Payor Plaintiffs, the Mitsubishi Electric Defendants will also provide the following types of cooperation relating to alleged antitrust violations as to Released Parts: (1) providing a list of current or former officers, directors or employees who were interviewed by any Government Entity, who testified before a grand jury in connection with the DOJ's investigation, or were disclosed to any Government Entity as having knowledge of alleged antitrust violations as to Released Parts; (2) Jenner & Block attorney proffers ("Attorney Proffers"), (3) witness interviews, (4) deposition testimony in the MDL Proceeding, (5) declarations or affidavits in the MDL Proceeding, and (6) trial testimony in the MDL Proceeding. While there will be no limitation on the number of proffers, depositions, declarations, affidavits, or trial testimony, End-Payor Plaintiffs agree to request such cooperation only when reasonably necessary to their prosecution of the cases in the MDL Proceeding. If any such interview, deposition, or trial testimony takes place outside of the country of the witness's residence, Settlement Class Counsel shall reimburse the Mitsubishi Electric Defendants for such person's economy class fare and up to \$450 per day for lodging and expenses actually incurred.

53. All Cooperation shall be coordinated in such a manner so that all unnecessary duplication and expense is avoided. Any Attorney Proffers, witness interviews, or depositions provided pursuant to Paragraph 52 shall be coordinated with, and occur at the same time as, the

Attorney Proffers, witness interviews, and depositions to be provided under the Mitsubishi Electric Defendants' cooperation obligations to the Automobile Dealership Plaintiffs and the attorneys general of California and Florida. It is understood that the Mitsubishi Electric Defendants may be unable to make available for interviews, depositions, or trial testimony or any other court proceedings the five (5) individuals referenced in Attachment A (filed under seal) of the plea agreement between Mitsubishi Electric Corporation and the United States of America (Case No. 2:13-cr-20710-PJK, E.D. Mich., ECF No. 9) or any individual who is no longer an officer, director, or employee of any Mitsubishi Electric Defendant.

54. The Mitsubishi Electric Defendants shall be entitled to designate all Cooperation Materials in accordance with the Protective Orders. End-Payor Plaintiffs and Settlement Class Counsel will not attribute any factual information obtained from Attorney Proffers to the Mitsubishi Electric Defendants or their counsel. End-Payor Plaintiffs and Settlement Class Counsel may share information obtained from Attorney Proffers with Automobile Dealership Plaintiffs and the attorneys general of California and Florida, but shall not disclose information obtained from Attorney Proffers to any other claimants or potential claimants, including without limitation direct purchaser plaintiffs, public entity plaintiffs, and opt-out plaintiffs in the MDL Proceeding, except with the express written consent of the Mitsubishi Electric Defendants.

55. Notwithstanding any other provision of this Agreement, the parties and their counsel further agree that any Attorney Proffers or other statements made by counsel for the Mitsubishi Electric Defendants in connection with or as part of this settlement shall be governed by Federal Rule of Evidence 408. Notwithstanding anything herein, Settlement Class Counsel may use information contained in such Attorney Proffers or other statements in the prosecution of its claims in all cases in the MDL Proceeding including for the purpose of developing an

allocation plan relating to any settlement or judgment proceeds, except any claims against Releasees (but shall not introduce any information from an Attorney Proffer into the record, or depose or subpoena any Mitsubishi Electric Defendant counsel related to an Attorney Proffer), and may rely on such information to certify that, to the best of Settlement Class Counsel's knowledge, information and belief, such information has evidentiary support or will likely have evidentiary support after reasonable opportunity for further investigation or discovery.

56. In the event that the Mitsubishi Electric Defendants produce Documents or provide declarations or written responses to discovery to any party or non-party in the actions in the MDL Proceeding, concerning or relating to the Actions ("Relevant Production"), the Mitsubishi Electric Defendants shall produce all such Documents, declarations or written discovery responses to End-Payor Plaintiffs contemporaneously with making the Relevant Production to the extent such Documents, declarations or written discovery responses have not previously been produced by the Mitsubishi Electric Defendants to End-Payor Plaintiffs. This Agreement does not restrict Settlement Class Counsel from attending and/or participating in any depositions in the MDL Proceeding. Settlement Class Counsel may attend and/or participate in any depositions of the Mitsubishi Electric Defendants' witnesses in addition to the depositions set forth in Paragraph 52, and Settlement Class Counsel together with settlement class counsel for the Automobile Dealership Plaintiffs may ask questions for a combined total of three (3) hours at such deposition, provided that the time for participation of Settlement Class Counsel and settlement class counsel for the Automobile Dealership Plaintiffs shall not expand the time permitted for the deposition as may be provided by the Court, and Settlement Class Counsel will not ask the Court to enlarge the time of any deposition noticed of a Mitsubishi Electric Defendant current or former employee. Participation by Settlement Class Counsel in the

depositions discussed in this Paragraph will not limit the number of depositions to be provided under Paragraph 52 above. End-Payor Plaintiffs and Settlement Class Counsel agree to use their best efforts to ensure that any depositions taken under Paragraph 52 above are coordinated with any other deposition noticed in the MDL Proceeding to avoid unnecessary duplication.

57. Unless this Agreement is rescinded, disapproved, or otherwise fails to take effect, the Mitsubishi Electric Defendants' obligations to provide Cooperation with respect to any Released Part under this Agreement shall continue only until otherwise ordered by the Court, or the date that final judgment has been entered in the Actions against all Defendants.

58. If this Agreement is rescinded, disapproved, otherwise fails to take effect, or if final judgment has been entered by the United States District Court for the Eastern District of Michigan in all cases in the MDL Proceeding against all Defendants (collectively "District Court Termination"), unless otherwise agreed by the Mitsubishi Electric Defendants, within sixty (60) days after District Court Termination, End-Payor Plaintiffs must return or destroy all Cooperation Materials received from the Mitsubishi Electric Defendants to the extent required by the Protective Orders, and must comply with all other terms of the Protective Orders governing such return or destruction.

59. In the event that this Agreement fails to receive Final Court Approval, the parties agree that neither End-Payor Plaintiffs nor Settlement Class Counsel shall be permitted to use or introduce into evidence against the Mitsubishi Electric Defendants and other Releasees, at any hearing or trial, or in support of any motion, opposition or other pleading in the Actions or in any other federal or state or foreign action alleging a violation of any law relating to the subject matter of the Actions, any Documents provided by the Mitsubishi Electric Defendants and/or the Releasees, their counsel, or any individual made available by the Mitsubishi Electric Defendants

pursuant to Cooperation (as opposed to from any other source or pursuant to a court order). Notwithstanding anything contained herein, End-Payor Plaintiffs and the Settlement Classes are not relinquishing any rights to pursue discovery against the Mitsubishi Electric Defendants and other Releasees in the event that this Agreement fails to receive Final Court Approval, including final approval of the "Settlement Classes" as defined in Paragraph 23, or in the event that it is terminated by either party under any provision herein. Should this Agreement fail to receive Final Court Approval, End-Payor Plaintiffs and the Mitsubishi Electric Defendants will meet-and-confer regarding the number and timing of any additional depositions of current or former employees of the Mitsubishi Electric Defendants in the MDL Proceeding. If the parties cannot agree, they may move the Special Master or Court in the MDL Proceeding to set the number and timing of such depositions.

60. The Mitsubishi Electric Defendants and other Releasees need not respond to formal discovery requests from End-Payor Plaintiffs or otherwise participate in the Actions during the pendency of this Agreement, with the exception of the Cooperation provisions set forth above. Other than to enforce the terms of this Agreement, neither the Mitsubishi Electric Defendants nor End-Payor Plaintiffs shall file motions against the other, in the Actions, during the pendency of this Agreement.

61. The Mitsubishi Electric Defendants and End-Payor Plaintiffs agree not to disclose publicly or to any other person, except for Releasees where necessary, the terms of this Agreement until this Agreement is submitted to the Court for Preliminary Approval.

K. Rescission if this Agreement Is Not Approved or Final Judgments Are Not Entered

62. If this Agreement does not receive Final Court Approval, then the Mitsubishi Electric Defendants and End-Payor Plaintiffs shall each, in their sole discretion, have the option

to rescind this Agreement in its entirety. Written notice of the exercise of any such right to rescind shall be made according to the terms of Paragraph 72. A modification or reversal on appeal of any amount of Settlement Class Counsel's fees and expenses awarded by the Court from the Settlement Funds shall not be deemed a modification of all or a part of the terms of this Agreement or such final judgment.

63. In the event that this Agreement does not become final, or this Agreement otherwise is terminated by either party under any provision herein, then: (1) this Agreement shall be of no force or effect; (2) any and all parts of the Settlement Amount caused to be deposited in the Settlement Funds (including interest earned thereon) shall be returned forthwith to the Mitsubishi Electric Defendants less only disbursements made in accordance with Paragraph 42 of this Agreement; and (3) the Mitsubishi Electric Defendants shall be entitled to any tax refunds owing to the Settlement Funds. At the request of the Mitsubishi Electric Defendants, Settlement Class Counsel shall file claims for any tax refunds owed to the Settlement Funds and pay the proceeds, after deduction of any fees and expenses incurred with filing such claims for tax refunds, to the Mitsubishi Electric Defendants. The Mitsubishi Electric Defendants expressly reserve all of their rights and defenses if this Agreement does not become final.

64. Further, and in any event, End-Payor Plaintiffs and the Mitsubishi Electric Defendants agree that this Agreement, whether or not it shall become final, and any and all negotiations, Documents, and discussions associated with it, shall not be deemed or construed to be an admission or evidence of (1) any violation of any statute or law or of any liability or wrongdoing whatsoever by the Mitsubishi Electric Defendants or the Releasees, or (2) the truth of any of the claims or allegations contained in the Complaints, the Proposed Consolidated

Amended Complaint, or any other pleading filed in the Actions. Evidence derived from this Agreement, whether or not it shall become final, and any and all negotiations, Documents, and discussions associated with it shall not be discoverable or used in any way, whether in the Actions or in any other action or proceeding, against the Mitsubishi Electric Defendants and other Releasees (except to enforce this Agreement). Nothing in this Paragraph shall prevent End-Payor Plaintiffs from using Cooperation Materials produced pursuant to Paragraphs 47-61, subject to the limitations in those paragraphs, for the purpose of prosecution of the claims in the MDL Proceeding, except as to any such claims against the Mitsubishi Electric Defendants or Releasees.

L. Miscellaneous

65. This Agreement shall be construed and interpreted to effectuate the intent of the parties, which is to provide, through this Agreement, for a complete resolution of the relevant claims with respect to each Releasee as provided in this Agreement as well as cooperation by the Mitsubishi Electric Defendants.

66. The Mitsubishi Electric Defendants shall submit all materials required to be sent to appropriate Federal and State officials pursuant to the Class Action Fairness Act of 2005, 28 U.S.C. § 1715.

67. This Agreement does not settle or compromise any claim by End-Payor Plaintiffs or any Settlement Class Member asserted in the Complaints or, if amended, any subsequent Complaints, against any Defendant or alleged co-conspirator other than the Releasees. All rights against such other defendants or alleged co-conspirators are specifically reserved by End-Payor Plaintiffs and the Settlement Classes. All rights of any Settlement Class Member against any and all former, current, or future Defendants or co-conspirators or any other person other than the Releasees, for sales made by the Mitsubishi Electric Defendants and the Mitsubishi Electric

Defendants' alleged illegal conduct are specifically reserved by End-Payor Plaintiffs and Settlement Class Members. The Mitsubishi Electric Defendants' sales to the Settlement Classes and the Mitsubishi Electric Defendants' alleged illegal conduct shall remain in the Actions as a potential basis for damage claims and shall be part of any joint and several liability claims against other current or future Defendants in the Actions or other persons or entities other than the Releasees to the extent permitted by applicable law.

68. The United States District Court for the Eastern District of Michigan shall retain jurisdiction over the implementation, enforcement, and performance of this Agreement, and shall have exclusive jurisdiction over any suit, action, proceeding, or dispute arising out of or relating to this Agreement or the applicability of this Agreement that cannot be resolved by negotiation and agreement by End-Payor Plaintiffs and the Mitsubishi Electric Defendants. This Agreement shall be governed by and interpreted according to the substantive laws of the State of Michigan without regard to its choice of law or conflict of laws principles. The Mitsubishi Electric Defendants will not object to complying with any of the provisions outlined in this Agreement on the basis of jurisdiction.

69. This Agreement constitutes the entire, complete and integrated agreement among End-Payor Plaintiffs and the Mitsubishi Electric Defendants pertaining to the settlement of the Actions against the Mitsubishi Electric Defendants, and supersedes all prior and contemporaneous undertakings, communications, representations, understandings, negotiations and discussions, either oral or written, between End-Payor Plaintiffs and the Mitsubishi Electric Defendants in connection herewith. This Agreement may not be modified or amended except in writing executed by End-Payor Plaintiffs and the Mitsubishi Electric Defendants, and approved by the Court.

70. This Agreement shall be binding upon, and inure to the benefit of, the successors and assigns of End-Payor Plaintiffs and the Mitsubishi Electric Defendants. Without limiting the generality of the foregoing, each and every covenant and agreement made herein by End-Payor Plaintiffs or Settlement Class Counsel shall be binding upon all Settlement Class Members and Releasees. The Releasees other than the Mitsubishi Electric Defendants that are parties hereto are third-party beneficiaries of this Agreement and are authorized to enforce its terms applicable to them. This Agreement may be executed in counterparts by End-Payor Plaintiffs and the Mitsubishi Electric Defendants, and a facsimile signature shall be deemed an original signature for purposes of executing this Agreement.

71. Neither End-Payor Plaintiffs nor the Mitsubishi Electric Defendants shall be considered to be the drafter of this Agreement or any of its provisions for the purpose of any statute, case law, or rule of interpretation or construction that would or might cause any provision to be construed against the drafter of this Agreement.

72.
