The Court has not yet granted preliminary approval of the Round 2 Settlements.<sup>4</sup> The Round 2 Settlements provide a partial resolution of 26 cases.<sup>5</sup> As with the Preliminary Approval Orders issued by the Court for the Round 1 Settlements, each of the proposed preliminary approval orders presented in connection with the Round 2 Settlements provide that EPPs may propose notice to the members of the Settlement Classes, including the form of, method for, and date of dissemination of notice.<sup>6</sup>

---

<sup>4</sup> EPPs have filed motions for preliminary approval of the Round 2 Settlements and these motions are unopposed. EPPs cannot begin the Notice Program until the Court enters Orders granting preliminary approval of the Round 2 Settlements.

In addition, EPPs anticipate that they will shortly file motions for preliminary approval with additional settling defendants not referenced herein. To the extent that the Court grants preliminary approval of those settlements prior to the commencement of the September 2016 Notice, EPPs intend to seek permission from the Court to include those settlements in the September 2016 Notice as well.

<sup>5</sup> Final approval of EPPs' settlement with the DENSO Defendants will provide a final resolution of the following cases: *In re Fuel Senders*, 2:12-cv-00303; *In re Alternators*, 2:13-cv-00703; *In re Motor Generators*, 2:13-cv-01503; and *In re Inverters*, 2:13-cv-01803. EPPs have also filed a Stipulation and Proposed Order consolidating the *Air Flow Meters* action with the *Fuel Injection Systems* action and intend to file a motion to consolidate the *Electronic Throttle Bodies* action with the *Fuel Injection Systems* action. Should the Court enter the Proposed Order in the *Air Flow Meters* action and grant EPPs' motion in the *Electronic Throttle Bodies* action, those two actions will be formally consolidated as part of the *Fuel Injections Systems* action.

<sup>6</sup> See, e.g., Proposed Order Granting End-Payor Plaintiffs' Motion for Preliminary Approval of Proposed Settlement with the DENSO Defendants and Provisional Certification of the Settlement Classes, *Wire Harness*, 2:12-cv-00103, attached as Exhibit A to the Declaration of

As with the prior notice programs, EPPs have retained Kinsella Media, LLC (“Kinsella”) to develop the notice program and forms of Notice for these Round 2 Settlements.<sup>7</sup> In order for the September 2016 Notice to take place on the schedule outlined below, EPPs respectfully request that the Court enter orders preliminarily approving the Round 2 Settlements and granting this Motion by no later than October 31, 2016. EPPs wish to advise the Court that the proposed dates for mailing and publication are premised on Court approval of the proposed class notice program by October 31, 2016. Kinsella has informed Settlement Class Counsel<sup>8</sup> that if approval is not granted by that date, that new dates will need to be proposed and that it is likely that additional expense will be incurred. *See* Declaration of Shannon R. Wheatman, Ph.D on Adequacy of Notice and Notice Plan (“Wheatman Decl. on September 2016 Notice”), ¶ 25.

The September 2016 Notice Program will also enhance the digital media using targeted Internet advertising. Targeted Internet advertising allows a banner ad to reach a specific audience that has been segmented into groups based on items such as geography (location), interests, demographics, etc. It can be a more effective way to get a response from online users because the banner ad is more relevant to them. *Id.* at ¶ 24.

William V. Reiss in Support of End-Payor Plaintiffs’ Unopposed Amended Motion for Authorization to Disseminate September 2016 Notice to the End-Payor Plaintiffs Settlement Classes (“Reiss Decl. on September 2016 Notice”).

<sup>7</sup> The Court previously appointed Kinsella and Garden City Group, LLC (“GCG”) as Notice Administrator and Settlement Claims Administrator, respectively. *See* Order Granting EPPs’ Motion for Authorization to Disseminate Notice, *Alternators*, 2:13-cv-00703, ECF No. 54. Accordingly, in this Motion, EPPs do not recite their qualifications.

<sup>8</sup> Settlement Class Counsel are the law firms of Robins Kaplan LLP, Cotchett, Pitre & McCarthy, LLP and Susman Godfrey L.L.P.

**I. NOTICE TO MEMBERS OF THE SETTLEMENT CLASSES IS APPROPRIATE AT THIS TIME**

The Round 2 Settling Defendants have entered into settlements in the cases set forth in Figure 1 for a total of \$379,401,268. With this Motion, EPPs submit for the Court's approval a plan for the September 2016 Notice, a proposed Long Form and Short Form Notice, a proposed Claim Form,<sup>9</sup> and a schedule for the September 2016 Notice Program and final approval of the Round 2 Settlements. EPPs' September 2016 Notice is substantially similar to the October 2015 and Combined Notices previously approved by this Court in this consolidated litigation.

**II. THE SEPTEMBER 2016 NOTICE PROVIDES THAT THE MEMBERS OF THE SETTLEMENT CLASSES MAY OPT OUT OF THE ADDITIONAL SETTLEMENTS**

The Settlement Classes in the actions referred to in the September 2016 Notice include consumers or businesses that purchased or leased new vehicles<sup>10</sup> or indirectly purchased replacement parts for vehicles in states which permit indirect purchasers to bring antitrust damage claims ("Damages States")<sup>11</sup> as well as those who made such purchases in states which do not permit such damage claims (together, the "Settlement Class Members"). Those Settlement Class Members that made purchases in any of the Damages States may be eligible to file a claim to participate in the distribution of one or more of the Net Settlement Funds; the remaining Settlement Class Members would be eligible to obtain the benefits of the equitable

<sup>9</sup> Settlement Class Counsel's proposed Claim Form is attached as Exhibit B to the Reiss Decl. on September 2016 Notice.

<sup>10</sup> As described in the Long and Short Form Notice, in general, qualifying vehicles include four-wheeled passenger automobiles, cars, light trucks, pickup trucks, crossovers, vans, mini-vans, and sport utility vehicles.

<sup>11</sup> The Damages States include the District of Columbia and the following states: Arizona, Arkansas, California, Florida, Hawaii, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia, and Wisconsin.

non-monetary relief provided for in the Round 2 Settlements and proposed final judgments, including cooperation and certain Round 2 Settling Defendants' agreement not to engage in the specified conduct that is the subject of the lawsuits for a period of two years from the date of entry of the final judgment.<sup>12</sup> As set forth in the Plan of Allocation, payment will be made on a *pro rata* basis to Settlement Class Members who submit claims that are allowed by the Court ("Authorized Claimants") based on the ratio their Allowed Claim Amounts<sup>13</sup> bears to the total of the Allowed Claim Amounts of all Authorized Claimants with respect to each Settlement Class. Thus, the Plan of Allocation's approach provides reimbursement to the eligible members of the Settlement Classes based on the relative extent of injury revealed by this litigation. The Plan of Allocation allocates the settlement funds based on the volume of purchases by members of the Settlement Classes. That is, the more qualifying vehicles purchased or leased, or the more qualifying replacement parts purchased, the more a Settlement Class member may receive. Moreover, claims based on vehicles containing automotive parts that were specifically targeted by Defendants' alleged collusive conduct receive more weight. Those weightings are based on information obtained by EPPs' Co-Lead Counsel during discovery as well as the cooperation provided by the Settling Defendants. The relative weightings applicable to the purchase or lease of vehicles will be set forth in the Plan of Allocation and a list of the specific vehicles containing parts that were the specific targets of Defendants' alleged collusive conduct will be available on *Automotive Parts Antitrust Litigation* website, [www.autopartsclass.com](http://www.autopartsclass.com).

The proposed Long Form Notice describes the right of the members of each Settlement Class to opt out of some or all of the Settlement Classes, including those Settlement Class

Members who are only entitled to recover non-monetary equitable relief.<sup>14</sup> Accordingly, any Settlement Class Member can opt out and thus not be bound by any of the Round 2 Settlements or final judgments entered in connection therewith.

**III. THE SEPTEMBER 2016 NOTICE SHOULD BE APPROVED AS SATISFYING THE REQUIREMENTS OF RULE 23**

EPPs respectfully move the Court for approval of the Claim Form and September 2016 Notice. As set forth in the Wheatman Decl. on September 2016 Notice, the Proposed September 2016 Notice Program (attached as Exhibit B to the Wheatman Decl. on September 2016 Notice) is as effective as the October 2015 and Combined Notice Programs previously approved by the Court in connection with the earlier settlements. *See, e.g.*, Wheatman Decl. on September 2016 Notice, ¶ 26. The proposed September 2016 Notice would be disseminated in a “reasonable manner to all class members who [will] be bound by the proposal” and provide for the “best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort,” as required by Rules 23(e)(1) and 23(c)(2)(B) of the Federal Rules of Civil Procedure. *Id.* at ¶¶ 10, 37.

**A. The September 2016 Notice**

EPPs propose a multi-faceted and comprehensive notice program to provide notice of the Round 2 Settlements and Plan of Allocation to the members of the Settlement Classes. As with EPPs’ October 2015 and Combined Notice Programs, each of which were previously approved by the Court, EPPs have retained Kinsella to develop the notice program and forms of Notice for

these Round 2 Settlements. EPPs' proposed September 2016 Notice Program, attached as Exhibit B to the Wheatman Decl. on September 2016 Notice, contains the following elements:

- Individual Notice, Paid Media (Publication and Internet), Earned Media, a website, and a Toll-Free Telephone Support Line to provide the best notice practicable. *See* September 2016 Notice Program at 3-5, 20-22.
- Kinsella will publish the Short Form Notice in selected consumer magazines,<sup>15</sup> a newspaper,<sup>16</sup> and newspaper supplements.<sup>17</sup> Similarly, Kinsella will purchase Internet advertising of 315,823,001 gross impressions across various websites, including a website targeted at automotive fleet owners, driving potential members of the Settlement Classes to the case website where they can obtain the Long Form Notice, additional documents, and information. Kinsella will also use targeted Internet advertising to reach potential Class Members across different ad networks and publisher websites, and through Facebook and LinkedIn. *See* September 2016 Notice Program at 15-18. Kinsella estimates that publication of the Summary Notice and the Internet Advertising will reach 80.1% of New Vehicle Owners/Lessees<sup>18</sup> with an average estimated frequency of 2.5 times.<sup>19</sup>
- Kinsella will also publish the Short Form Notice in two trade publications that reach fleet owners.<sup>20</sup> The Short Form Notice will, in turn, refer potential Settlement Class members to the Call Center and the website where they can obtain the Long Form Notice and additional documents and information. *See id.* at 22.
- Kinsella will implement an earned media press outreach program, including a Multimedia News Release, statewide press releases on PR Newswire, and

outreach to traditional print and online news outlets in the Damages States. *See id.* at 20-22.

- GCG will post the Long Form Notice, proposed final judgments, along with other court documents, and the various Settlement Agreements, on the specially created website designed to provide notice of the settlements in these litigations, [www.AutoPartsClass.com](http://www.AutoPartsClass.com), which will be made easily findable through searches conducted on the Internet. *See id.* at 19-20.
- GCG will staff a toll-free hotline (1-877-940-5043) to answer any questions by any potential members of the Settlement Classes about the settlements and to provide copies of court-approved notices and other documents. *See id.* at 22.
- GCG will send an email or mailed notice to those individuals who previously registered on the website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com), notifying them about the Round 2 Settlements and Plan of Allocation and directing them to visit the website to read updated information about the Round 2 Settlements and Plan of Allocation. *See id.* at 4.

Fed. R. Civ. P. 23(e)(1) requires that notice of the settlement of a class action be given “in a reasonable manner to all class members who would be bound by the proposal,” and Fed. R. Civ. P. 23(c)(2)(B) provides that in any class certified under Rule 23(b)(3) “the court must direct to class members the best notice that is practicable under the circumstances, including individual notice to all members who can be identified through reasonable effort.” EPPs’ proposed September 2016 Notice meets these requirements.

The Long Form Notice will be mailed to each potential Settlement Class Member who requests it in response to the various forms of notice described in detail in the September 2016 Notice Program. Wheatman Decl. on September 2016 Notice, ¶ 35. Further, the Long Form Notice as well as settlement documents and the Plan of Allocation, will be available for view, download, and printing at the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

Because the Round 2 Settling Defendants’ products are incorporated into vehicles assembled and sold or leased by others, Settlement Class Counsel do not have the names and addresses necessary to send notice by direct mail to each member of the Settlement Classes. In

such circumstances, “[n]either Rule 23 nor due process . . . requires actual notice to each party intended to be bound by the adjudication of a class action.” *Roberts v. Shermeta, Adams & Von Allmen, P.C.*, No. 13-cv-01241, 2015 U.S. Dist. LEXIS 38434, \*16-17 (W.D. Mich. Feb. 23, 2015) (citing *Fidel v. Farley*, 534 F.3d 508, 514 (6th Cir. 2008)). Due process requires only notice that is reasonably calculated to reach interested parties. *Fidel*, 534 F.3d at 514; *Karkoukli’s, Inc. v. Dohany*, 409 F.3d 279, 283 (6th Cir. 2005). See also *Mullane v. Central Hanover Bank & Trust Co.*, 339 U.S. 306, 315 (1950).

Thus, for example, in *In re Warfarin Sodium Antitrust Litigation*, 212 F.R.D. 231 (D. Del. 2002), the court determined that where, like here, the names and addresses of absent class members were unavailable, publication notice was the best notice practicable under the circumstances. *Id.* at 252. The Third Circuit affirmed, rejecting challenges to the notice. *In re Warfarin Sodium Antitrust Litigation*, 391 F.3d 516, 536-37 (3d Cir. 2004). See also *In re Google Referrer Header Privacy Litig.*, No. 5:10-cv-04809, 2014 U.S. Dist. LEXIS 41695, at \*24 (N.D. Cal. Mar. 26, 2014) (approving notice plan consisting solely of publication notice because “the size and nature of the class renders it nearly impossible to determine exactly who may qualify as a class member. . . . That being the case, direct notice to class members by mail, e-mail or other electronic individualized means is impractical.”); *In re Heartland Payment Sys.*, 851 F. Supp. 2d 1040, 1061 (S.D. Tex. 2012) (approving notice plan that consisted exclusively of publication notice because “[Defendants] did not have the names and addresses of those affected by the data breach and could not reasonably request this information for 130 million accounts from the issuer banks.”); *Manual for Complex Litigation*, § 21.312 (4th ed. 2004) (“Posting notices and other information on the Internet, publishing short, attention-getting notices in newspapers and magazines, and issuing public service announcements may be viable

substitutes for, or more often supplements to, individual notice if that is not reasonably practicable”).

**B. The Proposed September 2016 Notice Schedule**

As outlined in the Proposed Order submitted herewith, EPPs propose the following notice schedule:

- **November 29, 2016:** Kinsella commences publication of the Short Form Notice in newspaper supplements, newspaper, and trade and consumer publications; begins online media notice activities, including Internet banner ads and keyword search; begins earned media activities. (Proposed Order ¶ 6);
- **November 29, 2016:** GCG will begin sending email or mailed notice to those individuals who previously registered on the website, notifying them about the Round 2 Settlements and directing them to visit the website to read updated information about the Round 2 Settlements (*id.* ¶ 7);
- **February 9, 2017:** Filing of Kinsella and GCG affidavits/declarations reflecting that mailing, posting, and publication were made in accordance with this Order (*id.* ¶ 8);
- **February 9, 2017:**
  - Filing of motions for final approval of the Round 2 Settlements (*id.* ¶ 9);
  - If Settlement Class Counsel so elect, filing of motion for attorneys’ fees and reimbursement of expenses (*id.*).
- **March 16, 2017:** Deadline for objections and requests for exclusion from some or all of the Settlement Classes for the Round 2 Settlements (*id.* ¶¶ 11, 12); and
- **April 19, 2017:** Final Fairness Hearing. (*id.* ¶ 14).

For the above reasons, EPPs respectfully request that the Court adopt the schedule contained in the Proposed Order.

### C. The Form and Content of the Proposed September 2016 Notice

EPPs also seek approval of the proposed form and content of the Long and Short Form Notices.<sup>21</sup> The information required by Rule 23(c)(2)(B) is set forth “clearly and concisely . . . in plain, easily understood language” at the following sections of the notices:

- Nature of the actions—Long Form Notice § 2, Short Form Notice ¶ 1;
- Settlement Classes’ Definition—Long Form Notice § 8, Short Form Notice ¶ 2;
- Settlement Classes’ Claims, Issues & Defenses—Long Form Notice § 2, Short Form Notice ¶ 1;
- Right to appear—Long Form Notice §§ 25, 26, Short Form Notice ¶ 7;
- Right to exclude/Time & Manner to Request Exclusion— Long Form Notice § 17, Short Form Notice ¶ 6; and
- Binding effect— Long Form Notice §§ 16-19, Short Form Notice ¶ 6.

Additionally, the Long Form Notice informs potential Settlement Class Members about the identity of the Round 2 Settling Defendants; the automotive parts covered in the settlements; the amount of each of the Round 2 Settlements; the potential for future settlements; where to access the complete settlement agreements, proposed final judgments, the Plan of Allocation, and other Court documents related to the settlements with the Round 2 Settling Defendants; how the lawyers may be paid in the future; when the lawyers will file their petition for attorneys’ fees and reimbursement of litigation expenses; Settlement Class Members’ right to object or opt out and how to do so; and the date, place and time of the Fairness Hearing, among other information.

This additional information conforms with Rule 23(e)’s requirement for distribution of the settlement notice in a reasonable manner. *See In re Prudential Ins. Co. Am. Sales Practice Litig.*

*Agent Actions*, 148 F.3d 283, 327 (3d Cir. 1998) (“The Rule 23(e) notice is designed to

---

<sup>21</sup> The Long and Short Form Notices are attached as Exhibits 7 and 8 to the September 2016 Notice Program, which is attached as Exhibit B to the Wheatman Decl. on September 2016 Notice.

summarize the litigation and the settlement and to apprise class members of the right and opportunity to inspect the complete settlement documents, papers, and pleadings filed in the litigation.” (internal quotation marks omitted)).

Finally, the Long Form Notice explains to potential Settlement Class Members that they are entitled to a distribution of the Net Settlement Funds only if: (1) the Court approves the settlements with the Round 2 Settling Defendants and after any appeals are resolved; and (2) after the Court approves the Plan of Allocation. *See* Long Form Notice at § 1. To receive payment, the Long Form Notice explains to potential members of the Settlement Classes that they must submit a Claim Form, but no deadline has yet been set by the Court for the submission of the Claim Form. *Id.* at § 12. The Long Form Notice also advises potential Settlement Class Members that it is unknown how much each Settlement Class Member who submits a valid Claim Form will receive at this time because payment will be made on a *pro rata* basis to Authorized Claimants based on the ratio their Allowed Claim Amounts bears to the total of the Allowed Claim Amounts of all Authorized Claimants with respect to each Settlement Class. *Id.* at § 13. Thus, the amount to be distributed to Authorized Claimants will depend on the number of valid claims filed by all Settlement Class Members and the number of vehicles purchased or leased by that claimant or replacement parts purchased by that claimant.

For the reasons stated above, the proposed September 2016 Notice fulfills the requirements of Rule 23 and due process. Accordingly, approval of the September 2016 Notice is appropriate.

#### **IV. CONCLUSION**

For the foregoing reasons, EPPs request that the Court: (i) approve the September 2016 Notice and proposed Claim Form; (ii) approve the proposed schedule for the September 16 Notice Program and consideration of Final Approval of the Round 2 Settlements; and (iii)

authorize EPPs to disseminate the Claim Form and September 2016 Notice to potential Settlement Class Members.

**[PROPOSED] ORDER GRANTING END-PAYOR PLAINTIFFS' MOTION FOR  
PRELIMINARY APPROVAL OF PROPOSED SETTLEMENT WITH DENSO  
DEFENDANTS AND PROVISIONAL CERTIFICATION OF SETTLEMENT CLASSES**

Upon consideration of End-Payor Plaintiffs' Motion for Preliminary Approval of Proposed Settlement with Defendants DENSO Corporation, DENSO International America, Inc., DENSO International Korea Corporation, DENSO Korea Automotive Corporation, DENSO Automotive Deutschland GmbH, ASMO Co., Ltd., ASMO North America, LLC, ASMO Greenville of North Carolina, Inc., and ASMO Manufacturing, Inc. (collectively, the "DENSO Defendants") and Provisional Certification of Settlement Classes ("Motion"), it is hereby **ORDERED** as follows:

1. The Motion is hereby **GRANTED**.
2. Unless otherwise set forth herein, defined terms in this Order shall have the same meaning ascribed to them in the Settlement Agreement.

Preliminary Approval of Settlement Agreement

3. The terms of the Settlement Agreement are hereby preliminarily approved, including the release contained therein, as being fair, reasonable, and adequate to the Settlement Classes, subject to a Fairness Hearing.

4. The Court finds that the Settlement Agreement was entered into at arm's length by experienced counsel and is sufficiently within the range of reasonableness that notice of the Settlement Agreement should be given, pursuant to a plan to be submitted by Settlement Class Counsel and approved by the Court at a later date as provided in this Order.

Class Certification

5. Pursuant to Federal Rule of Civil Procedure ("Rule") 23, and in light of the proposed settlement, the Court hereby finds that the prerequisites for a class action have been met and provisionally certifies the following classes for settlement purposes ("Settlement Classes"):

(a) “Automotive Wire Harness Systems Settlement Class” is defined as:

All persons and entities who, from January 1, 1998, through the Execution Date, purchased or leased a new Vehicle in the United States not for resale that included one or more Automotive Wire Harness Systems as a component part, or indirectly purchased one or more Automotive Wire Harness Systems as a replacement part, which were manufactured or sold by a Defendant, any current or former subsidiary of a Defendant, or any co-conspirator of a Defendant. Excluded from the Automotive Wire Harness Systems Settlement Class are Defendants, their parent companies, subsidiaries and affiliates, any co-conspirators, federal governmental entities and instrumentalities of the federal government, states and their subdivisions, agencies and instrumentalities, and persons who purchased Automotive Wire Harness Systems directly or for resale.

(b) “Instrument Panel Clusters Settlement Class” is defined as:

All persons and entities who, from January 1, 1998, through the Execution Date, purchased or leased a new Vehicle in the United States not for resale that included one or more Instrument Panel Clusters as a component part, or indirectly purchased one or more Instrument Panel Clusters as a replacement part, which were manufactured or sold by a Defendant, any current or former subsidiary of a Defendant, or any co-conspirator of a Defendant. Excluded from the Instrument Panel Clusters Settlement Class are Defendants, their parent companies, subsidiaries and affiliates, any co-conspirators, federal governmental entities and instrumentalities of the federal government, states and their subdivisions, agencies and instrumentalities, and persons who purchased Instrument Panel Clusters directly or for resale.

(c) “Fuel Senders Settlement Class” is defined as:

6. The Court finds that provisional certification of the Settlement Classes is warranted in light of the Settlement Agreement because: (a) the Settlement Classes are so numerous that joinder is impracticable; (b) End-Payor Plaintiffs' claims present common issues and are typical of the Settlement Classes; (c) End-Payor Plaintiffs and Settlement Class Counsel (defined below) will fairly and adequately represent the Settlement Classes; and (d) common issues predominate over any individual issues affecting the members of the Settlement Classes. 14. The Court’s provisional certification of the Settlement Classes as provided herein is without prejudice to, or waiver of, the rights of any Defendants, including the DENSO Defendants, to contest certification of any other class proposed in the Actions. The Court’s findings in this Order shall have no effect on the Court’s ruling on any motion to certify any

**DECLARATION OF SHANNON R. WHEATMAN, PH.D. ON ADEQUACY  
OF NOTICE AND NOTICE PLAN**

I, Shannon R. Wheatman, being duly sworn, hereby declare as follows:

1. I am president of Kinsella Media, LLC (“Kinsella”), an advertising and notification consulting firm in Washington, D.C. specializing in the design and implementation of notification programs. My business address is 2001 Pennsylvania Avenue NW, Suite 300, Washington, D.C. 20006. My telephone number is (202) 686-4111. My curriculum vitae is attached as **Exhibit A**.

2. In the above-referenced matter, *In re Automotive Parts Antitrust Litigation*, I was asked to design a notice and notice plan to inform Settlement Class Members about the Round 2 Settlements.

3. Kathy Kinsella previously submitted a declaration executed September 3, 2015, (“Initial Notice Program Declaration”) outlining my and the firm’s credentials and describing the Initial Notice Program designed by Kinsella. As also stated in Kathy Kinsella’s declaration executed January 13, 2016, (“Combined Notice Program Declaration”), we jointly developed both previous Notice Programs in this matter.

4. This declaration will describe the September 2016 notices (the “September 2016 Notice”) and notice plan (the “September 2016 Notice Plan”) (collectively referred to as the “September 2016 Notice Program”) proposed here, for *In re Automotive Parts Antitrust Litigation*, including how they were developed and why I believe they will be effective.

5. This declaration is based upon my personal knowledge and upon information provided by Settlement Class Counsel and my associates and staff. The information is of a type reasonably relied upon in the fields of advertising, media, and communications.

#### **SEPTEMBER 2016 NOTICE PROGRAM OVERVIEW**

6. Kinsella proposes implementing a September 2016 Notice Program to provide

notice to Settlement Class Members. This program will utilize paid and earned media and provides similar reach and frequency as the previous Court-approved notice programs that were implemented.

7. Although some of the individual components differ from the previous notice programs, Settlement Class Members will be exposed to the updated information about the litigation through the same media channels. The September 2016 Notice Program was designed to be substantially similar to the Initial and Combined Notice Programs.<sup>1</sup> The Combined Notice Program needed to utilize weekly publications to allow the Settlement Classes enough time to respond before the established deadlines. This Notice Program can use the monthly publications because the timeframe allows sufficient time for Class Members to respond and act on their rights.

8. The September 2016 Notice Program is attached as **Exhibit B**.

9. I have been involved in drafting the various forms of Notice described below. Each form is noticeable, clear, concise, and written in plain, easily understood language.

10. As detailed below, in my opinion, the September 2016 Notice Program represents the best notice practicable under the circumstances and satisfies due process requirements.

### **Individual Notice**

11. The Settlement Administrator, Garden City Group, LLC (“GCG”), will send an email or mailed notice to those individuals who previously registered on the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com). Potential Settlement Class Members who provided a valid email address will receive an email alert that notifies them about the Round 2 Settlements and directs

---

<sup>1</sup> The proposed September 2016 Notice Program also includes additional Internet advertising to maintain a reach of at least 80% (as was achieved in the earlier notice programs).

them to visit the website to read information about the Settlements or file a claim. GCG will mail the Summary (Publication) Notice to Potential Settlement Class Members who provided only a mailing address.

**Paid Media**

12. Similar to the process described in the Initial Notice Program Declaration, Kinsella used syndicated data available from the GfK MediaMark Research, Inc.'s ("GfK MRI") *2015 Doublebase Study*<sup>2</sup> to select a target audience with demographics that encompass the characteristics of Settlement Class Members and design the paid media segment of the September 2016 Notice Program.

13. When considering which media to use for this case, Kinsella evaluated the latest media survey to determine the media consumption habits of the following target audience: Adults 18 years of age and older who currently own or lease a new vehicle ("New Vehicle Owners/Lessees"). Kinsella also reviewed historical media survey data for New Vehicle Owners/Lessees over the entire class period and found that the demographics of this target audience have not changed significantly during this time.

14. Using New Vehicle Owners/Lessees for media selection and measurement purposes is appropriate for this case because it is the closest measureable target to the Settlement Classes (individuals who bought or leased a new vehicle or paid to replace a qualifying part in

---

<sup>2</sup> GfK MRI is a nationally accredited media and marketing research firm that provides syndicated data on audience size, composition, and other relevant factors pertaining to major media, including broadcast, magazines, newspapers, and outdoor advertising. It provides a single-source measurement of major media, products, services, and in-depth consumer demographic and lifestyle/psychographic characteristics. GfK MRI produces the annual *Doublebase Survey*, a study of over 50,000 adults consisting of two full years of data. The sample consists of over 26,000 respondents. Fieldwork is done in two waves per year, each lasting six months and consisting of 13,000 interviews. At the end of the interview, the fieldworker presents a self-administered questionnaire that measures approximately 500 product/service categories, 6,000 brands, and various lifestyle activities.

their vehicle from 1996 to 2016).

15. The Settlement Classes are made up of individual purchasers/lessees as well as fleet purchasers of new vehicles. In general, qualifying vehicles include four-wheeled passenger automobiles, cars, light trucks, pickup trucks, crossovers, vans, mini-vans, and sport utility vehicles. As discussed previously, New Vehicle Owners/Lessees are measured in GfK MRI; however, fleet owners and replacement part purchasers are not measured in the survey data. In my opinion, the target audience of New Vehicle Owners/Lessees is still appropriate for all Settlement Class Members because it is highly likely that fleet owners and replacement part purchasers (or their households) personally purchased or leased a new vehicle during the relevant class periods. However, supplemental paid media included in the plan will again specifically target fleet owners.

16. In terms of their media habits, New Vehicle Owners/Lessees continue to be above-average to heavy consumers of magazines, newspapers, and the Internet, and average consumers of radio and television.

17. To effectively reach the Settlement Classes, the broad-based September 2016 Notice Program utilizes the media that is commonly consumed by New Vehicle Owners/Lessees — magazines, newspaper supplements, a national newspaper, and Internet — to meet due process standards and provide the best notice practicable under the circumstances.

18. The Publication Notice will appear in the following consumer magazines:

- a. A half-page ad in *Field and Stream* - estimated circulation of 1,200,000.
- b. A full-page ad in *National Geographic* - estimated circulation of 3,100,000.
- c. Two half-page ads in *People* - estimated circulation of 3,400,000.
- d. A full-page ad in *Reader's Digest* - estimated circulation of 3,000,000.

e. A half-page ad in *Southern Living* - estimated circulation of 2,800,000.

f. A half-page ad in *Woman's Day* - estimated circulation of 3,250,000.

19. The Publication Notice will appear in the following newspaper supplements:

a. A digest-page ad in *American Profile* - estimated circulation of 6,000,000.

b. A 2/5-page ad in *Parade* - estimated circulation of 22,000,000.

20. To specifically reach fleet owners, the Publication Notice will also appear in the following newspaper and trade publications, respectively:

a. A sixth-page ad in *The Wall Street Journal* – estimated circulation of 1,321,827.

b. A full-page ad in *Auto Rental News* – estimated circulation of 8,772.

c. A full-page ad in *Automotive Fleet* – estimated circulation of 21,071.

21. The September 2016 Notice Program includes Internet advertising to provide Settlement Class Members with additional notice opportunities beyond the print placements. Internet advertising delivers an immediate message and allows the viewer of an advertisement to instantly click through to the website for further information.

22. Banner advertisements will appear, on a rotating basis, on the following online networks:

a. *Advertising.com* - division of AOL Networks, providing massive scale to over 596 million global unique visitors.

b. *Conversant* - online advertising company and comScore Top 20 Ad Network.

c. *Facebook.com* - free, global social networking website that helps people communicate with friends, family, and coworkers.

d. *Viant (formerly Specific Media)* - network consisting of premium websites that cover topics such as news, entertainment, and sports.

e. *Xaxis* - global digital media platform that connects advertisers and audiences across all media channels.

f. *Yahoo!* - leading Internet brand and global online network of integrated services providing users with entertainment and other quality content.

23. To specifically reach fleet owners, banner advertisements will appear for one month on the National Association of Fleet Administrators (“NAFA”) website ([www.nafa.org](http://www.nafa.org)).

24. Targeted Internet advertising will also be used to reach potential Class Members on the Internet across different ad networks and publisher websites, and through Facebook and LinkedIn. Banner ads will be targeted to reach specific car owners; individuals interested in automotive topics, car parts or repair; individuals who purchased automotive products and aftermarket accessories; and individuals who clicked on previous banner ads or previously visited the litigation website.

25. If the September 2016 Notice Program is approved by October 31, 2016, most of the paid media will run in 2016. If the September 2016 Notice Program is approved after this date, the timeline will shift into 2017, and the overall cost to implement this plan will increase.

**Effectiveness of September 2016 Notice Program**

26. The *reach*<sup>3</sup> and *frequency*<sup>4</sup> of the September 2016 Notice Program was measured against the target audience to evaluate the strength and efficiency of the paid media (magazine, newspaper supplement, newspaper, and Internet advertising). The September 2016 Notice Program will reach an estimated 80.1% of New Vehicle Owners/Lesseees with an average frequency of 2.5 times.<sup>5</sup> In my opinion, the September 2016 Notice Program adequately reaches New Vehicle Owners/Lesseees, replacement part purchasers, and fleet owners and will be as effective as previous notice programs.

**Earned Media**

27. An earned media program also will be implemented to amplify the paid media and provide additional notice to Settlement Class Members. The earned media program includes:

a. A multimedia news release (“MNR”) that will be distributed on PR Newswire’s US1 National Circuit, reaching approximately 5,000 media outlets and 5,400 websites. The MNR will blend text, audio, video, photos, related documents, and social media to make the story more appealing.

b. Statewide press releases will be distributed on PR Newswire in the 30 affected states and the District of Columbia.

---

<sup>3</sup> *Reach* is the estimated percentage of a target audience that is exposed one or more times through a specific media outlet or combination of media outlets within a given period.

<sup>4</sup> *Frequency* is the estimated average number of opportunities an audience member has to see the notice.

<sup>5</sup> The trade publications (*Auto Rental News* and *Automotive Fleet*), Internet advertising on the NAFA website, and targeted Internet advertising are not measured for this target audience, and their contribution to the overall reach of the media is not calculated.

c. Media outreach to targeted media outlets to solicit their interest in the story and generate free media coverage.

d. Kinsella will implement sponsored keywords and phrases with all major search engines, including: Google AdWords, Bing Microsoft Advertising, and their search partners. When a user searches for one of the specified search terms or phrases, sponsored links will appear on the results page.

**Other**

28. The Settlement Administrator will update the website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com), to enable Settlement Class Members to get current information on the Settlements, including the September 2016 Long Form Notice and the Round 2 Settlement Agreements.

29. The Settlement Administrator will update the recording associated with the toll-free phone number that allows Settlement Class Members to call and request that a Long Form Notice be mailed to them or listen to answers to frequently asked questions.

30. The Settlement Administrator will maintain the post office box that allows Settlement Class Members to contact Co-Lead Class Counsel by mail with any specific requests or questions.

**NOTICE FORM AND CONTENT**

31. **Exhibits 7 and 8** to the September 2016 Notice Program (**Exhibit B** hereto) are copies of the Long Form Notice and Publication Notice.

32. The Notices effectively communicate information about the Settlements.

33. Rule 23(c)(2) of the Federal Rules of Civil Procedure requires class action notices to be written in “plain, easily understood language.” Kinsella applies the plain language requirement

in drafting notices in federal and state class actions. The firm maintains a strong commitment to adhering to the plain language requirement, while drawing on its experience and expertise to draft notices that effectively convey the necessary information to Settlement Class Members.

34. The Summary Notice (Publication Notice) is designed to capture Settlement Class Members' attention with clear, concise, plain language. It directs readers to the website or toll-free number for more information. The plain language text provides important information regarding the subject of the litigation, additional Settlements, the Settlement Class definitions, and the legal rights available to Settlement Class Members. No important or required information is missing or omitted. In fact, this Notice states all required information without omitting significant facts that Settlement Class Members need to understand their rights.

35. The Long Form Notice will be available at the website, by calling the toll-free number, or by mailing or emailing a request to the Settlement Administrator. The Long Form Notice provides substantial information, including background on the issues in the case and all specific instructions Settlement Class Members need to follow to properly exercise their rights. It is designed to encourage readership and understanding, in a well-organized and reader-friendly format.

### **CONCLUSION**

36. In my opinion, the September 2016 Notice Program will satisfy due process. It provides a comparable reach (80.1% of New Vehicle Owners/Lessees) and frequency (2.5 opportunities to see the Notice) than was achieved in the previous notice programs. Although not included in the reach percentage, the trade publication advertising; Internet advertising on the NAFA website; targeted Internet advertising; earned media and outreach efforts; and the website will provide other opportunities for potential Settlement Class Members to learn about and obtain information on the additional Settlements.

37. It is my opinion that the reach of the target audience, number of exposure opportunities to the notice information, and content of the Notices are adequate and reasonable under the circumstances. It is consistent with the standards employed by Kinsella in notification programs designed to reach class members. The September 2016 Notice Program, as designed, is fully compliant with Rule 23 of the Federal Rules of Civil Procedure.

I declare under penalty of perjury that the foregoing is true and correct. Executed in Washington, D.C. this 14th day of September 2016.

## Judicial Comments

*In re Transpacific Passenger Air Trans. Antitrust Litig.*, MDL No. 1913 (N.D. Cal.)

In overruling an objection that direct notice should have been done, the Court found “[T]he notice program, which the Court already approved, reached 80.3% of the potential class members in the United States an average of 2.6 times and “at least 70%” of members of the Settlement Classes living in Japan. See Mot. for Final Approval at 4; Wheatman Decl. ¶¶ 8, 18. The notice also included paid media in 13 other countries. Id.; ¶ 25. There were 700,961 unique visits to the website, toll-free numbers in 15 countries received over 2,693 calls, and 1,015 packages were mailed to potential class members. Id. ¶¶ 6, 9, 10. It was therefore adequate.” – Hon. Charles R. Breyer (2015)

*In re Target Corp. Customer Data Security Breach Litig.*, MDL No. 14-2522 (D. Minn.)

“The parties accomplished notice here through direct notice, paid and earned media, and an informational website... [T]he notice program reached 83% of potential class members. The notice here comports with Rule 23(e)... Class notice reached more than 80 million people, with direct notice sent to 61 million consumers... [The] infinitesimally small amount of opposition weighs in favor of approving the settlement.” – Hon. Paul A. Magnuson (2015)

*In re Sony Gaming Networks & Customer Data Security Breach Litig.*, No. 11-MD-2258 (S.D. Cal.)

"The form, content, and method of dissemination of the notice given to the Settlement Class were adequate and reasonable, and constituted the best notice practicable under the circumstances. The notice, as given, provided valid, due, and sufficient notice of the proposed settlement, the terms and conditions set forth in the Settlement Agreement, and these proceedings to all Persons entitled to such notice, and said notice fully satisfied requirements of Rule 23 of the Federal Rules of Civil Procedure and due process." – Hon. Anthony J. Battaglia (2015)

## FIRM OVERVIEW

Kinsella Media, LLC (“Kinsella”) is a nationally recognized legal notification firm in Washington, D.C. specializing in the design and implementation of notification programs to reach unidentified putative class members primarily in consumer and antitrust class actions and claimants in bankruptcy and mass tort litigation.

Kinsella has developed and directed some of the largest and most complex national notification programs, primarily in antitrust, bankruptcy, consumer fraud, mass tort, and product liability litigation. Specific cases have spanned a broad spectrum of issues, including asbestos, breast implants, home siding and roofing products, infant formula, pharmaceuticals, polybutylene plumbing, tobacco, and Holocaust claims. The firm has developed or consulted on over 800 notification programs and placed over \$350 million in paid media notice.

Kinsella develops advertisements, press materials, websites, and other notice materials that bridge the gap between litigation complexities and the need for a clear and simple explanation of legal rights. The firm employs industry-recognized tools of media measurement to quantify the adequacy of the notice for the court and ensures all notice materials are in “plain language” and fully compliant with Rule 23 of the Federal Rules of Civil Procedure (“Rule 23”) and comparable state guidelines.

## CASE BACKGROUND: SITUATION ANALYSIS

Kinsella developed this Notice Program (the “September 2016 Notice Program”) to include the second round of Settlements in *In re Automotive Parts Antitrust Litigation* (“Round 2 Settlements”). The lawsuits claim that the largest suppliers of auto parts globally and in the United States agreed to fix and artificially raise the price of certain auto parts. As a result, consumers and businesses may have paid more than they would have without this agreement.

Twenty-three automotive parts manufacturers and their affiliates have agreed to Settlements resolving claims that they fixed the price of certain auto parts (the “Settling Defendants”). In May 2016, Settlements with 11 Settling Defendants (“Round 1 Settling Defendants”) received final approval. New Settlements have now been reached with 12 additional Settling Defendants (“Round 2 Settling Defendants”).

The Round 2 Settling Defendants include:

- Aisin Seiki Co., Ltd. and Aisin Automotive Casting, LLC (collectively, “Aisin Seiki”),
- DENSO Corporation; DENSO International America, Inc.; DENSO International Korea Corporation; DENSO Korea Automotive Corporation; DENSO Automotive Deutschland GmbH; ASMO Co., Ltd.; ASMO North America, LLC; ASMO Greenville of North Carolina, Inc.; and ASMO Manufacturing, Inc. (collectively, “DENSO”),

*In re Automotive Parts Antitrust Litigation*

- Furukawa Electric Co., Ltd. and American Furukawa, Inc. (together, “Furukawa”),
- G.S. Electech, Inc., G.S. Wiring Systems Inc., and G.S.W. Manufacturing Inc. (collectively, “G.S. Electech”),
- LEONI Wiring Systems, Inc. and Leonische Holding Inc. (together, “LEONI”),
- Mitsubishi Electric Corporation; Mitsubishi Electric US Holdings, Inc.; and Mitsubishi Electric Automotive America, Inc. (collectively, “MELCO”),
- NSK Ltd., NSK Americas, Inc.; NSK Steering Systems Co., Ltd.; and NSK Steering Systems America, Inc. (collectively, “NSK”),
- Omron Automotive Electronics Co. Ltd. (“Omron”),
- Schaeffler Group USA Inc. (“Schaeffler”),
- Sumitomo Riko Co., Ltd. and DTR Industries, Inc. (together, “Sumitomo Riko”),
- Tokai Rika Co., Ltd. and TRAM, Inc. d/b/a Tokai Rika U.S.A. Inc. (together, “Tokai Rika”), and
- Valeo Japan Co., Ltd., on behalf of itself and Valeo Inc.; Valeo Electrical Systems, Inc.; and Valeo Climate Control Corp. (collectively, “VALEO”).

The Round 1 Settling Defendants included:

- Autoliv, Inc.; Autoliv ASP, Inc.; Autoliv B.V. & Co. KG; Autoliv Safety Technology, Inc.; and Autoliv Japan Ltd.,
- Fujikura, Ltd. and Fujikura Automotive America LLC,
- Hitachi Automotive Systems, Ltd.,
- Kyungshin-Lear Sales and Engineering, LLC,
- Lear Corporation,
- Nippon Seiki Co., Ltd.; N.S. International, Ltd.; and New Sabina Industries, Inc.,
- Panasonic Corporation and Panasonic Corporation of North America,
- Sumitomo Electric Industries, Ltd.; Sumitomo Wiring Systems, Ltd.; Sumitomo Electric Wiring Systems, Inc. (incorporating K&S Wiring Systems, Inc.); and Sumitomo Wiring Systems (U.S.A.) Inc.,
- T.RAD Co., Ltd. and T.RAD North America, Inc.,
- TRW Deutschland Holding GmbH and ZF TRW Automotive Holdings Corp. (formerly known as “TRW Automotive Holdings Corp.”), and
- Yazaki Corporation and Yazaki North America, Incorporated.

Depending upon the case, Settlement Class Members are included in the Settlements if, from 1996 to 2016, they: (1) bought or leased a qualifying new vehicle in the U.S. for their own use (not for resale), or (2) paid to replace a qualifying part in their vehicle. In general, the qualifying vehicles include four-wheeled passenger automobiles, cars, light trucks, pickup trucks, crossovers, vans, mini-vans, and sport utility vehicles. The Round 2 Settlements provide monetary recovery (“damages”) for consumers and businesses in 30 states and the District of Columbia. The Round 2 Settlements also include non-monetary relief, including Settling Defendants’ cooperation in the ongoing litigations. With the exception of Leoni, the Round 2 Settling Defendants have also agreed not to engage in the conduct that is the subject of the lawsuits.

The Statewide Damages Classes that may be eligible for monetary recovery include consumers in the District of Columbia and the following states: Arizona, Arkansas, California, Florida, Hawaii, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia, and Wisconsin.

Paid and earned media is necessary to reach unidentified Settlement Class Members.

## NOTICE PROGRAM OVERVIEW: **PROGRAM COMPONENTS**

The September 2016 Notice Program outlines procedures to provide notice of the above referenced Settlements in *In re Automotive Parts Antitrust Litigation* as a class action, consistent with the requirements set forth in Rule 23 of the Federal Rules of Civil Procedure.

Based on information provided by Co-Lead Class Counsel, the results of research on Settlement Class Members and their response to media, and the media habits of the target audience, Kinsella recommends the following notice program.

- **INDIVIDUAL NOTICE:** The Settlement Administrator, Garden City Group, LLC (“GCG”), will send an email or mailed notice to those individuals who previously registered on the Settlements’ website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com).
- **PAID MEDIA-BASED NOTICE:** Kinsella recommends paid media notice comprised of print publications and Internet that will reach Class Members, including:
  - Consumer magazines, newspaper supplements, a national newspaper, trade publications, and
  - Internet banner ads on multiple networks, hundreds of targeted websites, and a fleet association website.
- **EARNED MEDIA:** Kinsella recommends amplifying paid media notice efforts with earned media, including:
  - Media Outreach,
  - Multimedia News Release,
  - Statewide Press Releases, and
  - Keyword Search Advertising.

To complement the September 2016 Notice Program and ensure Class Members' easy access to updated information, Kinsella recommends updating the dedicated informational website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

## **INDIVIDUAL NOTICE**

GCG will send an email or mailed notice to those individuals who previously registered on the litigation website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

Potential Settlement Class Members who provided a valid email address will receive an email alert that notifies them about the Settlements and directs them to visit the website to read updated information about the Settlements and the litigation. GCG will mail the Summary (Publication) Notice to potential Settlement Class Members who provided only a mailing address.

In addition, the updated Detailed (or Long Form) Notice will be sent via first-class mail to all potential Settlement Class Members who call or write to request a copy as a result of seeing the toll-free number or PO Box address. The Detailed Notice will also be available on the informational website as a PDF file. The toll-free information line and informational website address will appear prominently in the Detailed Notice.

## **PAID MEDIA PROGRAM**

To reach Class Members, Kinsella recommends using measurable paid media. Paid media advertising is guaranteed to appear, allowing for control of the content, timing, and positioning of the message.

When considering which media to use for this case, Kinsella evaluated the latest media survey to determine the media consumption habits of the following target audience: Adults 18 years of age and older who currently own or lease a new motor vehicle ("New Vehicle Owners/Lessees"). Kinsella also reviewed historical media survey data for New Vehicle Owners/Lessees over the entire class period and found that the demographics of this target audience have not changed significantly during this time. Therefore, the proposed target audience of New Vehicle Owners/Lessees is an appropriate target for media selection and measurement.

Based on data regarding the target audience's media consumption, Kinsella researched the most appropriate media outlets that would be best for this case. Kinsella reviewed available consumer magazines, newspapers, newspaper supplements, and Internet networks for reach of the target audience. Magazine, newspaper supplement, newspaper, and Internet advertising will provide an efficient plan to reach New Vehicle Owners/Lessees.

The Settlement Classes also include businesses, specifically fleet owners. As noted below, fleet owners are not measured in the survey data used to review media consumption habits. However, supplemental paid media (national newspaper, trade publication, and Internet advertising) is included in the September 2016 Notice Program to reach fleet owners.

## **PAID MEDIA PLACEMENTS SUMMARY**

## PAID MEDIA METHODOLOGY

Kinsella notice programs directed to Class Members: (1) identify the demographics of Class Members and establish a target audience, (2) outline the methodology for selecting the media and other program elements and how they relate to product usage or exposure, and (3) provide results that quantify for the court the adequacy of the notice based upon recognized tools of media measurement.

In the wake of the Supreme Court's decisions in *Daubert v. Merrell Dow Pharmaceuticals*, 509 U.S. 579 (1993) and *Kumho Tire Co. v. Carmichael*, 526 U.S. 137 (1999), the reliability of a notice expert's testimony may be tested against the standards developed within the media industry for determining to what degree and at what frequency a target audience has been reached. In assessing the expert's reliability, the court must determine whether the testifying expert "employs in the courtroom the same level of intellectual rigor that characterizes the practice of an expert in the relevant field." *Kumho*, 526 U.S. at 152. That showing may utilize evidence that the expert's data and methodology are similar to that used by professionals in the relevant field.

In keeping with the *Daubert* and *Kumho* rulings, Kinsella employs methodology and measurement tools used in the media planning and advertising industry for designing and measuring the adequacy of a paid media program to reach a particular audience.

Choosing a target audience that encompasses the characteristics of Class Members is the first step when designing the paid media program. Kinsella chooses media outlets based on their ability to provide effective and cost-efficient penetration of the target audience. Then it measures the selected media against the target audience to quantify the reach of the media program and frequency of exposure to the media. Reach and frequency estimates are two of the primary measurements used to quantify the media penetration of a target audience.

- **Reach** is the estimated percentage of a target audience that is exposed one or more times through a specific media outlet or combination of media outlets within a given period.
- **Frequency** is the estimated average number of opportunities an audience member has to see the notice.

TARGET AUDIENCE:  
**SELECTION METHODOLOGY**

To develop a profile of the demographics and media habits of potential Class Members, Kinsella analyzed syndicated data available from GfK MRI's *2015 Doublebase Study*.<sup>1</sup>

GfK MRI is the leading U.S. supplier of multimedia audience research. As a nationally accredited media and market research firm, it provides information to magazines, television, radio, Internet, other media, leading national advertisers, and over 450 advertising agencies – including 90 of the top 100 in the U.S. GfK MRI's nationally syndicated data is widely used by these companies as the basis for the majority of the media and marketing plans written for advertised brands in the U.S.

Specifically, GfK MRI presents a single-source measurement of major media, products, services, and in-depth consumer demographic and lifestyle characteristics. GfK MRI provides data on media usage, audience composition, and other relevant factors pertaining to all major media types as well as print readership for Adults 18 years and older in the U.S. (“US Adults 18+”). Data is not collected on people under the age of 18.

Kinsella will measure media against the following primary target:

➤ New Vehicle Owners/Lesseees

Using New Vehicle Owners/Lesseees for media selection and measurement purposes is appropriate for this case because it is the closest measureable target to the Class (individuals who bought or leased a new vehicle or paid to replace a qualifying part in their vehicle from 1996 to 2016). According to GfK MRI, the demographics for New Car Owners has not changed in at least 20 years.

The Settlement Classes are made up of individual car owners/lesseees as well as fleet owners. As discussed, New Vehicle Owners/Lesseees are measured in GfK MRI; however, fleet owners or replacement part purchasers are not measured in the survey data. Kinsella believes that the target audience of New Vehicle Owners/Lesseees is appropriate for all of the Classes because it is highly likely that fleet owners and replacement part purchasers bought or leased new motor vehicles during the

<sup>1</sup> Since 1979, GfK MRI's *Survey of the American Consumer* has conducted detailed polling of a large sample of U.S. adults about the media they see and hear and the products they use. Participants in the survey are identified by age, occupation, income, education, and where they live, among other things. They are asked what magazines and newspapers they read, what TV shows and cable channels they watch, and about Internet access and radio formats. Survey data indicate the brands and products they use from among 500 categories and 6,000 consumer brands. The data from this survey is used by media practitioners industry-wide to characterize media and product users by demographics and account for and compare the size and make-up of media audiences. The *Doublebase Study* consists of two years of *Survey of the American Consumer* data. (GfK MRI was known until mid-2010 as Mediamark Research & Intelligence or MRI).

relevant class periods. However, business publications (newspaper and trade publications) and Internet advertising (on a fleet association website) included in the plan will specifically target fleet owners, and replacement part purchasers will also have opportunities to see the notice.

## DEMOGRAPHICS

Based on GfK MRI data, the table below outlines the demographics of New Vehicle Owners/Lesseees and the demographics of adults 18 years and older (“Adults 18+”) for comparison purposes:

<sup>2</sup> The total percentages listed do not equal exactly 100% percent because GfK MRI rounds up all percentages to the nearest tenth of a decimal.

<sup>3</sup> The GfK MRI *Doublebase Study* allows for multi-classification of an individual’s ethnicity. Therefore, the sum of all ethnicities may be greater than 100%.

<sup>4</sup> A Counties, as defined by A.C. Nielsen Company (“Nielsen”), are all counties belonging to the 25 largest metropolitan areas. These metro areas correspond to the standard Metropolitan Statistical Areas and include the largest cities and consolidated areas in the United States. B Counties, as defined by Nielsen, are all counties not included under A that have either a population greater than 150,000 or are in a metro area with a population greater than 150,000 according to the latest census. C Counties, as defined by Nielsen, are all counties

DEMOGRAPHICS	ADULTS 18+	NEW VEHICLE OWNERS/LESSEES
A & B Counties (Metro)	71.4%	74.3%
C & D Counties (Rural)	28.7%	25.7%

Based on this information, the demographics of New Vehicle Owners/Lessees include:

- 58.1% are adults 45 years of age or older
- 65.6% have graduated or attended college
- 65.8% have a household income of \$60,000 or more
- 74.3% live in metro counties

## MEDIA USAGE

Individuals spend varying amounts of time with different media. Certain demographic groups may be heavy consumers, light consumers, or non-users of a particular medium. For example, GfK MRI data shows that individuals who are less educated are likely to be heavy television viewers and light newspaper readers. Conversely, highly educated individuals are more likely to be heavy newspaper readers and light television viewers.

Kinsella notice plans focus on the media types used most often by the target audiences. To examine their media habits, Kinsella compares the target audience's media usage to that of the average adult 18 years of age and older ("Adults 18+") in usage quintiles reported by GfK MRI. The study ranks respondents based on their amount of exposure to a medium and divides them into five equal-sized groups ("quintiles") from heaviest usage (1) to lightest usage (5).

The media usage of the target audience in each quintile is expressed as an index. An index of 100 is the average adult's usage of a particular medium. Therefore, an index above 100 indicates a heavier usage of the medium than the average adult, and an index below 100 indicates a lighter usage of the medium than the average adult.

The target audience's top two quintiles (heaviest and next heaviest usage) for each type of media are:

not included under A or B that either have a population greater than 40,000 or are in a metro area with a population greater than 40,000 according to the latest census. D Counties are, essentially, rural counties.

This information indicates that New Vehicle Owners/Lessee's are average to above average consumers of magazines, newspapers, and Internet.

## **MEDIA SELECTION**

In a fragmented media landscape, a multimedia plan can increase coverage to reach our target audience ("New Vehicle Owners/Lessee's") because it gives them more opportunities to be exposed to the message.

Kinsella evaluated the proposed media campaign by considering the most appropriate media to convey the message. Planning in today's media environment is complex given the many choices consumers and businesses have to obtain information. Each media type offers specific benefits in communication. A mix of media types allows us to take advantage of these complementary tactics.

Like the overall U.S. population, New Vehicle Owners/Lessee's are made up of individuals with diverse characteristics and interests (*see* Demographics Section). The person who buys a BMW M5 is different than the person who buys a Toyota Sienna – their income, lifestyle, and media choices often differ. Therefore, media must effectively and efficiently reach all members of these Classes. In the proposed September 2016 Notice Program, Kinsella considered the Program's objectives and determined that a media mix including print and Internet advertising was the most appropriate approach.

Kinsella looked at the different age segments of New Vehicle Owners/Lessee's to better understand their media habits. As the chart below shows, Kinsella used different magazines and websites to reach various sub-groups of New Vehicle Owners/Lessee's. Online networks will deliver the notice across a wide variety of sites to a broad range of ages. While online efforts will allow us to reach the younger segment, Adults 18-34, it will also reach Adults who are 35 years of age or older as well. Although the

individual components may differ from the previous notice programs, the media channels themselves remain the same, as they are aligned with the target audience's media habits.

<b>MEDIA</b>	<b>PRIMARY TARGET</b>	<b>COMPOSITION*</b>	<b>MEDIAN AGE</b>
<i>American Profile</i>	Women 25+	44.9%	46
<i>Parade</i>	Adults 45+	53.7%	56

<i>Field &amp; Stream</i>	Men 25+	43.9%	50
<i>National Geographic</i>	Adults 25+	47.9%	52
<i>People</i>	Women	49.6%	46
<i>Reader's Digest</i>	Adults 50+	49.5%	59
<i>Southern Living</i>	Women 45+	53.2%	57
<i>Woman's Day</i>	Women 35+	49.3%	58
<i>The Wall Street Journal</i>	Business/High Income	65.0%	53
<i>Auto Rental News</i>	Businesses	Not Measured	Not Measured
<i>Automotive Fleet</i>	Businesses	Not Measured	Not Measured
Online Usage	Adults 18+	47.5%	48

\*Read: 44.9% of *American Profile* readers own or lease a new car.

These publications were selected for a variety of reasons, including appropriateness for the target audience and capability of cost-effective reach. *Parade* and *American Profile*, due to their massive circulation, are among the highest reaching publications against the target audience, providing an opportunity for a large number of New Vehicle Owners/Lesseees to see the Notice. A majority of the readers of *Field & Stream*, *National Geographic*, *People*, *Reader's Digest*, *Southern Living*, and *Woman's Day* are New Vehicle Owners/Lesseees. *The Wall Street Journal*, *Auto Rental News*, and *Automotive Fleet* were included to reach business readers and fleet owners. In combination with their high reach capabilities, the selected publications deliver a very cost-effective reach of New Vehicle Owners/Lesseees.

### PAID MEDIA PLACEMENTS: **NEWSPAPER SUPPLEMENTS**

*American Profile* and *Parade* are newspaper supplements that are inserted into weekend or Sunday editions of newspapers nationwide. These magazines, printed on newsprint, contain articles written for broad, general appeal and encourage readership through brevity. Issues are typically fewer than 30

pages. For the September 2016 Notice Program, Kinsella selected newspaper supplements because of their cost-effective reach of the target audience.

*American Profile* appears in 798 newspapers, and *Parade* appears in 624 newspapers. There is a small amount of overlap, as some newspapers carry more than one supplement, so these numbers are not cumulative. *Parade* reaches every major media market in the country. The selected supplements provide coverage in all 50 states and the District of Columbia. A list of the newspapers into which the selected supplements are inserted is attached as **Exhibit 1**.

Kinsella recommends the following newspaper supplement placements:

## AmericanProfile

- A Digest-page ad (4.562" x 6.562") in *American Profile* with an estimated circulation of 6,000,000.
- *American Profile* is published bi-weekly and a rural-focused newspaper supplement. The magazine provides content on the people, places, and experiences of hometowns across the country.

## PARADE

- A 2/5-page ad (4.562" x 6.562") in *Parade* with an estimated circulation of 22,000,000.
- *Parade* is the highest circulating magazine in the world. Carrier newspapers serve major urban and suburban markets in the U.S.

## CONSUMER MAGAZINES

Most adults read one or more magazines during an average month, and nearly three out of five adults read or look at a magazine daily. Weekly magazines quickly accumulate readership and provide timely and efficient notice to readers. Kinsella chose the specific consumer magazines listed below because they are among the highest ranking in coverage of the target audience.

Kinsella recommends the following consumer magazine placements:

- A half-page ad (4.625" x 7.5") in *Field and Stream* with an estimated circulation of 1,200,000.

- Field and Stream is published 9 times a year and covers the outdoor lifestyle on fishing and hunting. Editorial content also covers vehicles, products, and gear, and emphasizes sporting ethics, conservation, and environmental issues.

- A full-page ad (5.75" x 9") in *National Geographic* with an estimated circulation of 3,100,000.
- *National Geographic* is published monthly and covers people and places internationally. Readers spend an average of 56 minutes with each issue and tend to be upper-income and educated.

- Two half-page ads (3.375" x 10") in *People* with an estimated circulation of 3,400,000.
- *People* is a weekly publication covering contemporary personalities in entertainment, politics, business, and other current events.

- A full-page ad (4.687" x 6.75") in *Reader's Digest* with an estimated circulation of 3,000,000.
- *Reader's Digest* is a compendium published 10 times a year of selected excerpts from other publications as well as original pieces.

- A half-page ad (3.5" x 10") in *Southern Living* with an estimated circulation of 2,800,000.
- *Southern Living* is a monthly publication covering recipes, decorating ideas, gardening tips, and travel destinations for Southern life.

## Woman's Day

- A half-page ad (3.5" x 10") in *Woman's Day* with an estimated circulation of 3,250,000.
- *Woman's Day* is published 10 times a year and covers food, family, and health.

### SUPPLEMENTAL BUSINESS PUBLICATIONS

To ensure that business owners, specifically fleet owners, have an opportunity to see information about the Settlements, the Publication Notice will appear in a national newspaper and two trade publications.

Kinsella recommends the following placements:

## THE WALL STREET JOURNAL

- A sixth-page ad (5.35" x 7") in the daily edition of *The Wall Street Journal* with an estimated circulation of 1,321,827.
- *The Wall Street Journal* is one of the top business news publications in the world.

## Auto Rental NEWS

- A full-page ad (7.875" x 10.75") in *Auto Rental News* with an estimated circulation of 8,772.
- *Auto Rental* is the top trade magazine of the car and truck rental industry.

## automotive FLEET

- A full-page ad (7" x 10") in *Automotive Fleet* with an estimated circulation of 21,071.
- *Automotive Fleet* is targeted at car, light, and medium truck/van fleet managers and owners. Content includes fleet management, purchasing, operations remarketing, safety, maintenance, and industry news and statistics.

### TARGET AUDIENCE'S PRINT READERSHIP

Readership includes both primary readers and pass-along readers. Primary readers purchase a publication or are members of a household where the publication was purchased. Pass-along readers are

those who read the publication outside the home, in places such as a doctor's office. The table below indicates the estimated number of readers in the target audience of an average issue of the magazine or newspaper supplement:

PUBLICATION	INSERTIONS	NEW VEHICLE OWNERS/LESSEES
<i>American Profile</i>	1	7,210,000
<i>Field &amp; Stream</i>	1	3,882,000
<i>National Geographic</i>	1	14,938,000
<i>Parade</i>	1	25,543,000
<i>People</i>	2	19,410,000
<i>Reader's Digest</i>	1	8,695,000
<i>Southern Living</i>	1	7,869,000
<i>Woman's Day</i>	1	7,993,000
<i>The Wall Street Journal</i>	1	1,647,000

GfK MRI does not measure *Auto Rental News* or *Automotive Fleet*. Therefore, their contribution to the overall reach of the media is not calculated.

## INTERNET ADVERTISING

Kinsella recommends incorporating Internet advertising into the September 2016 Notice Program to provide potential Class Members with additional notice opportunities. Over 87% of New Vehicle Owners/Lessees have used the Internet in the past 30 days.<sup>5</sup>

## WEBSITE ADVERTISING

Internet advertising delivers an immediate message and allows the viewer to click on a banner advertisement and instantly be directed to a website for further information. Banner ads are typically located either at the top or side of a website page. Highly engaging animated banner ads are more likely to capture viewers' attention because they include moving images and text.

Kinsella will produce an animated banner advertisement that will provide information on the Settlements. Kinsella will purchase approximately 315,823,001 gross impressions<sup>6</sup> across various websites, such as those noted below. Impressions will be allocated to maximize exposure during the campaign across websites that are best driving potential Class Members to the website. Delivery of Internet impressions to specific sites and categories within sites are subject to availability at the time Kinsella purchases the media.

<sup>5</sup> GfK MRI.

<sup>6</sup> Gross impressions are the total number of times a media outlet containing the Notice is seen. This figure does not represent the total number of unique viewers of the Notice, as some viewers/readers will see the Notice in more than one media outlet.

## Advertising.com

- Advertising.com Network is one of the largest online networks, with priority access to AOL inventory. A sample list of properties and websites in the Advertising.com Network is attached as **Exhibit 2**.

- Conversant is an online network that delivers results based on data and provides deeper engagement using personalization to reach individuals. A sample list of properties and websites in the Conversant Network is attached as **Exhibit 3**.

- Facebook.com is a free, global social networking website that helps people communicate with friends, family, and coworkers. Some Facebook ads will be targeted to reach car owners.

- LinkedIn is an interconnected network of experienced professionals from around the world, representing 175 industries and 200 countries. Users can find, be introduced to, and collaborate with qualified professionals that they need to work with to accomplish their goals. LinkedIn advertising will be focused on those who follow the automotive industry and work in fleet-related positions.

- Viant (formerly Specific Media) is an online media company consisting of premium sites (a sample list of sites is attached as **Exhibit 4**) that cover topics such as news, entertainment, and sports and recreation, enabling advertisers to target audiences through advanced proprietary technologies across a premium network.

- Xaxis is a global digital media platform that connects advertisers and audiences across all media channels (a sample list of sites is attached as **Exhibit 5**).

## YAHOO!

- Yahoo! is a leading Internet brand and a global online network of integrated services providing users with entertainment and other quality content. (A sample list of site categories is attached as **Exhibit 6**.)

### **ASSOCIATION AND TRADE PUBLICATION WEBSITE ADVERTISING**

To specifically reach fleet owners, banner advertisements will appear for 4 to 6 weeks on the following website:

- The National Association of Fleet Administrators (“NAFA”) is a professional society that serves the needs of members who manage fleets of automobiles, SUVs, trucks, and vans.
- To specifically reach fleet owners, banner advertisements will appear for one month on the NAFA website ([www.nafa.org](http://www.nafa.org)).

### **TARGETED INTERNET ADVERTISING**

Targeted Internet advertising will be used to reach potential Class Members using various tactics. This type of advertising allows a banner ad to reach a specific audience. Audiences are segmented into groups such as geography (location), interests, demographics, etc. based on data collected from their online browsing and other information provided on the Internet. Then an advertiser can choose which group they want to see their banner ad. Although this advertising is not measurable against a standard target audience (and cannot contribute to reach and frequency measurements), it can often be more effective at getting a response from Internet users.

In the September 2016 Notice Program, targeted Internet advertising will be used to reach specific car owners; individuals interested in automotive topics, car parts, or repair; individuals who’ve purchased automotive products and aftermarket accessories; and individuals who clicked on banner ads related or previously visited the litigation website.

The actual networks, or publisher websites are to be determined at the time of placement.

### **KEYWORD SEARCH ADS AND ORGANIC SEARCH**

The other Internet tools that Kinsella utilizes are organic and paid keyword searches. Search engines, such as Google and Bing, are crucial for today’s online users to find the information they are looking for – the right website, relevant information, and/or the location of a new restaurant in the city.

Nearly everyone who has ever used the Internet has used a search engine, so typing keywords into a search box is a familiar experience. For example, Google shows pages and ads in response to the keywords that are typed. Website administrators rely on these search engines to help drive traffic to their websites. This happens two ways: (1) organic search results and (2) using paid search terms.

- Organic search results are the webpage listings that most closely match the user’s search query based on relevance. Relevancy increases as other pages link to the Settlements’ website (*e.g.*, if a journalist writes a story and provides a link to the website, this action will help the overall organic ranking).
- Paid results are basically advertisements — website owners paid to have their webpage display for certain keywords, so these listings show up when someone runs a search query containing those keywords.

Kinsella will purchase sponsored links to appear when searchers enter certain terms (*e.g.*, “Auto Parts Settlement”). By purchasing a variety of keywords and phrases that are both broadly and specifically related to the content of a website, Kinsella can ensure that the Settlements’ website will appear in the top results of an online user’s search query. These results are separated from organic results by placing the word “Ad” next to the website URL. The keyword advertisement will appear either at the top or right hand side of the search results and will direct potential Class Members to the Settlements’ website.

## **NATIONAL MEDIA DELIVERY**

The paid media program outlined in this plan provides Class Members with multiple exposure opportunities to media outlets carrying the Notice and delivers the following estimated reach and frequency measurements to the target audience defined by the 2015 GfK MRI Media + comScore Study:<sup>7,8</sup>

- An estimated 80.1% of New Vehicle Owners/Lesseees will be reached with an average estimated frequency of 2.5 times.

In comparison, the reach of the Initial Notice Program was 80.4%, and the frequency was 2.9. The reach of the Combined Notice Program was 80.5%, and the frequency was 2.9. The September 2016

<sup>7</sup> GfK MRI Net+ Fusion combines GfK MRI’s *Survey of the American Consumer* and Nielsen Online’s NetView, providing a single-source dataset of off-line and online media usage by American consumers. Nielsen uses a patented metering technology and representative panels of Internet users to collect and report consumer Internet usage. The GfK MRI survey provides data on magazine and newspaper reading, television viewing, radio listening, product consumption, psychographic characteristics, computer and Internet access configurations, and geo-demographic characteristics. Combining the two datasets provides unduplicated audience estimates across print and online media. Data is then combined with comScore, a source of Internet audience measurement for advertising agencies, publishers, marketers, and financial analysts.

<sup>8</sup> The trade publications (*Auto Rental News* and *Automotive Fleet*), Internet advertising on the NAFA website, and Targeted Internet advertising are not measured for this target audience, and their contribution to the overall reach of the media is not calculated.

Notice Program was designed to be similar to the Initial Notice Program. It also includes additional Internet advertising to cost effectively maintain a reach of at least 80% (as was achieved in the earlier notice programs).

## NOTICE DESIGN: **DETAILED NOTICE**

The updated Detailed Notice (**Exhibit 7**) will be compliant with Rule 23 and consistent with the Federal Judicial Center's "illustrative" class action notices. Specifically, the Detailed Notice will clearly and concisely state in plain, easily understood language:

- The nature of the action;
- The definition of the classes certified;
- The class claims, issues, or defenses;
- That a class member may enter an appearance through an attorney if the member so desires;
- That the Court will exclude from the class any member who requests exclusion;
- The time and manner for requesting exclusion; and
- The binding effect of a class judgment on members under Rule 23 (c)(3).

This Notice is designed to encourage readership and understanding, in a well-organized and reader-friendly format. Also, the Detailed Notice will prominently feature the toll-free number (1-877-940-5043) and website address for Class Members to obtain more information.

## **SUMMARY NOTICE**

Rule 23(c)(2) of the Federal Rules of Civil Procedure requires notices in 23(b)(3) class actions to be written in "plain, easily understood language." Kinsella applies the plain language requirement in drafting all notices in federal and state class actions. The firm maintains a strong commitment to adhering to the plain language requirement, while drawing on its experience and expertise to draft notices that effectively convey the necessary information to Class Members.

The plain language, updated Summary Notice (**Exhibit 8**) is designed to alert Class Members to the litigation by using a bold headline. This headline will enable Class Members to quickly determine if they are potentially affected by the litigation. Plain language text provides important information regarding the subject of the litigation, Class definition, and legal rights available to Class Members. The Summary Notice includes all the substantive information required by Rule 23.

Each notice prominently features the toll-free number and website address for Class Members to obtain the Detailed Notice and other information.

## WEBSITE AND INTERNET ADS

An informational, interactive website is a critical component of the September 2016 Notice Program. A website is a constant information source instantly accessible to millions. The website will continue to take advantage of the Internet's ability to serve as a key distribution channel and customer service bureau. The informational website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com), will be updated prior to launch of the September 2016 Notice Program. The site will employ the design characteristics laid out below, so Class Members can easily find the information they need about the Settlements and find out how to contact the Settlement Administrator should the website not address their specific needs.

### WEBSITE DESIGN

Combining clean site design, consistent site navigation cues, and search engine optimization, the website will provide Class Members with easy access to the details of the litigation.

- **CLEAN DESIGN:** The site is designed for ease of navigation and comprehension, with user-friendly words and icons. Once the user enters the website from the homepage, a directory located in a column on the left-hand side of the page will provide links to the information available on the website. This information will include "Important Court Documents," "Frequently Asked Questions," "Notice," and "File a Claim". The website also provides the toll-free number, mailing address, and email address for individuals seeking additional information.
- **CONSISTENT NAVIGATION CUES:** Whenever a user goes from the homepage to another part of the site, links to the homepage and subsections will remain on the left side of all pages, while the case title and citation remains fixed at the top of each page.

### BANNER AD DESIGN

Internet banner advertisements are designed to alert Class Members about the litigation and additional settlements by using a bold headline that enables Class Members to quickly determine if they may be affected. When a user clicks the banner advertisement, they will be connected to the Settlements' website.

## EARNED MEDIA PROGRAM

The primary purpose of the earned media portion of the September 2016 Notice Program is to create interest in and awareness of the story, generate media coverage, and get consumers to act on the information.

Kinsella will distribute the message to media outlets (newspapers, websites, television, and radio stations) to spark press interest and generate coverage that will provide potential Class Members with a basic overview of the Round 2 Settlements and how they can obtain further information about their rights or file a claim. This will also help ensure that journalists that report on the story will have complete information, including the Settlements' website and/or phone number.

Earned media programs have proven useful in past notice campaigns. Pitch teams highlight the benefits of the Settlements and any potential refund for consumers and encourage journalists to inform readers. Information about the Round 2 Settlements will be used to draw interest for potential stories about this litigation. This piece will likely help overall response in this case because North American consumers report high levels of trust in impartial sources, such as editorial content from newspapers (63%).<sup>9</sup>

Below is more information about these elements:

## **MULTIMEDIA NEWS RELEASE**

Kinsella will distribute a Multimedia News Release (“MNR”) with updated information about the Settlements. The MNR combines videos, images, news releases, and other downloadable materials into an interactive web platform that can be easily distributed across the Internet, including social networks. An MNR is recommended over a standard wire news release because it is targeted not just to reporters, but consumers online. It also tells a story more effectively and visually rather than relying on text and photos alone. According to a recent PR Newswire study, press releases that include multimedia elements and links have 51 times more views than a standard text-only press release.<sup>10</sup>

As described in more detail below, the MNR distribution will be supported with email and phone outreach to targeted media outlets to solicit their interest in the story and generate free media coverage. Earned media coverage creates legitimacy and credibility in the minds of the consumers because it is delivered and received through credible organizations, such as newspaper reporters/columnists, television or radio anchors/reporters, influential bloggers, and word-of-mouth on social media networks.<sup>11</sup>

## **STATEWIDE PRESS RELEASES**

Kinsella will distribute a press release over PR Newswire to media outlets in the affected 30 states and District of Columbia. The press release will highlight the toll-free telephone number and informational website address, so Class Members can obtain complete information.

## **MEDIA OUTREACH**

Consumers and businesses consider different sources of information when making informed decisions about purchasing or maintaining a vehicle. To reach them, a media pitch team will reach out to a variety of traditional print and online news outlets in the 30 affected states and DC, including everything from the Associated Press to the leading auto blog, *Jalopnik*. The media pitch team will look for ongoing opportunities to raise awareness with auto beat and consumer reporters at the national wire

services, tier-1 national papers, periodicals (such as *Wall Street Journal*, *USA Today*, and *US News*), top-20 regional newspapers, and specialty auto news outlets, including *Edmunds*, *Kelly Blue Book (KBB)*, *Car & Driver*, *Motor Trend*, and others.

The aim is to engage these influencers to share news of the Additional Settlements with their followers, specifically targeting the informed consumer. The outreach team will continue to follow-up with media outlets to maintain story interest throughout the notice period.

## **MESSAGE DEVELOPMENT**

All earned media outreach materials will be unbiased and informative, designed to provide potential Class Members with a basic overview of the Settlements and how they can obtain further information.

## **TOLL-FREE TELEPHONE SUPPORT**

A Toll-Free Support Line dedicated to these Settlements will be maintained at 1-877-940-5043, so callers can obtain additional information about the litigation. The Interactive Voice Response (IVR) platform will be updated with current information and accessible 24 hours a day, seven days a week. The IVR will provide answers to frequently asked questions and the ability for callers to request that the Settlement Administrator mail them a Detailed Notice. Should a caller have questions not addressed on the IVR, experienced representatives will be available to provide additional assistance Monday through Friday.

## If You Bought or Leased a New Vehicle, or Bought Certain Replacement Parts for a Vehicle in the U.S. Since 1996

### You Could Get Money from Settlements Totaling Approximately \$604 Million

*A Federal Court authorized this Notice. This is not a solicitation from a lawyer.*

- Please read this Notice and the Settlement Agreements available at [www.AutoPartsClass.com](http://www.AutoPartsClass.com) carefully. Your legal rights may be affected whether you act or don't act. This Notice is a summary, and it is not intended to, and does not, include all of the specific details of each Settlement Agreement. To obtain more specific details concerning the Settlements, please read the Settlement Agreements.
- Separate lawsuits claiming that Defendants in each lawsuit entered into unlawful agreements that artificially raised the prices of certain component parts of qualifying new vehicles (described in Question 8 below) have been settled with 23 Defendants and their affiliates ("Settling Defendants"). In May 2016, settlements with 11 of the Settling Defendants ("Round 1 Settlements"), totaling approximately \$225 million, received final Court approval. Additional settlements totaling \$379,401,268 have now been reached with 12 additional Settling Defendants. Those 12 additional Settling Defendants are called the "Round 2 Settling Defendants," and the settlements with them are called the "Round 2 Settlements." This Notice will give you details of those proposed Round 2 Settlements and your rights in these lawsuits.
- Generally, you are included in the Settlement Classes for the Round 2 Settlements if, at any time between 1996 and 2016, depending upon the component part, you: (1) bought or leased a qualifying new vehicle in the U.S. (not for resale) or (2) indirectly purchased a qualifying vehicle replacement part (not for resale). Indirectly means you bought the vehicle replacement part from someone other than the manufacturer of the part.
- As more fully described in Question 8 below, the Round 2 Settling Defendants have agreed to pay approximately \$379 million to be made available to Settlement Class members who purchased or leased a qualifying new vehicle or purchased a qualifying vehicle replacement part in the District of Columbia or one or more of the following States: Arizona, Arkansas, California, Florida, Hawaii, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia, and Wisconsin.
- The Round 2 Settlements also include provisions requiring the Round 2 Settling Defendants' cooperation in the ongoing litigations. With the exception of Leoni (defined in Question 3), Round 2 Settling Defendants have also agreed not to engage in the specified conduct that is the subject of the lawsuits for a period of two years from the date of entry of the final judgment.

<b>Your Legal Rights And Options</b>		
<b>SUBMIT A CLAIM</b>	The only way to get a payment. You will be able to submit a claim for payment from both of the Round 1 and Round 2 Settlements.	Beginning November 29, 2016
<b>EXCLUDE YOURSELF</b>	You will not be included in the Settlement Classes for the Round 2 Settlement(s) from which you exclude yourself. You will receive no benefits from the Round 2 Settlement(s), but you will keep any rights you currently have to sue these Settling Defendants about the claims in the Settlement Classes from which you exclude yourself.	March 16, 2017
<b>DO NOTHING NOW</b>	You will be included in the Settlement Classes for the Round 2 Settlements and are eligible to file a claim for a payment (if you qualify). You will give up your rights to sue the Round 2 Settling Defendants about the claims in these cases.	
<b>OBJECT TO THE</b>	If you do not exclude yourself, you can write to the Court explaining why you	March 16,

<b>SETTLEMENTS AND PLAN OF ALLOCATION</b>	disagree with the Round 2 Settlement(s) or the Plan of Allocation to distribute the Settlement Funds minus expenses and any court-approved attorneys’ fees (“Net Settlement Funds”) to Round 1 and Round 2 Settlement Class members.	2017
<b>GO TO THE HEARING</b>	Ask to speak in Court about your opinion of the Round 2 Settlements and/or the Plan of Allocation as it applies to members of the Round 1 and Round 2 Settlement Classes.	April 19, 2017

- These rights and options – and the deadlines to exercise them – are explained in this Notice.
- The Court in charge of these cases still has to decide whether to finally approve the Round 2 Settlements. Payments will only be made (1) if the Court approves the Round 2 Settlements and after any appeals are resolved, and (2) after the Court approves a Plan of Allocation to distribute the Net Settlement Funds to Round 1 and Round 2 Settlement Class members.

## BASIC INFORMATION

### 1. WHY IS THERE A NOTICE?

This Notice is to inform you about the Round 2 Settlements reached in 26 of the pending cases that are included in this litigation, before the Court decides whether to finally approve these Settlements.

The Court in charge is the United States District Court for the Eastern District of Michigan. This litigation is known as *In re Automotive Parts Antitrust Litigation*, MDL No. 12-2311. The people who sued are called the “Plaintiffs.” The companies they sued are called the “Defendants.”

Previously, you may have received notice about the Round 1 Settlements that were reached with 11 Defendants. Those Round 1 Settlements received final approval from the Court on May 11, 2016.

The Round 2 Settlements have been reached with an additional 12 Defendants, so that is why there is another Notice. This Notice explains the lawsuits, the proposed Round 2 Settlements, and your legal rights, including the ability to file a claim to receive a payment (if eligible).

This Notice is also to inform you that Class Counsel have proposed a Plan of Allocation to distribute the Net Settlement Funds from the Round 1 and Round 2 Settlements to the members of the Settlement Classes. The Plan of Allocation is described generally in Question 13 and is available on the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com) along with Class Counsel’s motion filed with the Court seeking its approval.

### 2. WHAT ARE THESE LAWSUITS ABOUT?

The lawsuits claim that the Defendants in each lawsuit agreed to unlawfully raise the price of certain vehicle component parts. As a result, consumers and businesses who purchased or leased qualifying new vehicles (not for resale) containing those parts or who indirectly purchased qualifying replacement parts (not for resale) from the Defendants may have paid more than they should have. Although the Round 2 Settling Defendants have agreed to settle, they do not agree that they engaged in any wrongdoing or are liable or owe any money or benefits to Plaintiffs. The Court has not yet decided who is right.

### 3. WHO ARE THE ROUND 2 SETTLING DEFENDANTS?

The Round 2 Settling Defendants are:

- Aisin Seiki Co., Ltd. and Aisin Automotive Casting, LLC (together, “Aisin Seiki”),
- DENSO Corporation; DENSO International America, Inc.; DENSO International Korea Corporation, DENSO Korea Automotive Corporation; DENSO Automotive Deutschland GmbH; ASMO Co., Ltd.; ASMO North America, LLC; ASMO Greenville of North Carolina, Inc.; and ASMO Manufacturing, Inc. (collectively, “DENSO”),
- Furukawa Electric Co., Ltd. and American Furukawa, Inc. (together, “Furukawa”),
- G.S. Electech, Inc.; G.S. Wiring Systems Inc.; and G.S.W. Manufacturing, Inc. (collectively, “G.S. Electech”),
- LEONI Wiring Systems, Inc. and Leonische Holding Inc. (together, “LEONI”),

Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)

- Mitsubishi Electric Corporation; Mitsubishi Electric US Holdings, Inc.; and Mitsubishi Electric Automotive America, Inc. (collectively, “MELCO”),
- NSK Ltd.; NSK Americas, Inc.; NSK Steering Systems Co., Ltd.; and NSK Steering Systems America, Inc. (collectively, “NSK”),
- Omron Automotive Electronics Co. Ltd. (“Omron”),
- Schaeffler Group USA Inc. (“Schaeffler”),
- Sumitomo Riko Co. Ltd. and DTR Industries, Inc. (together, “Sumitomo Riko”),

- Valeo Japan Co., Ltd. on behalf of itself and Valeo Inc.; Valeo Electrical Systems, Inc.; and Valeo Climate Control Corp. (collectively, “VALEO”).

#### **4. HAVE THERE BEEN ANY OTHER SETTLEMENTS RELATED TO THIS LAWSUIT?**

Yes. The following companies previously agreed to the Round 1 Settlements in the lawsuits, and the Court has given final approval to these Settlements:

- Autoliv, Inc.; Autoliv ASP, Inc.; Autoliv B.V. & Co. KG; Autoliv Safety Technology, Inc.; and Autoliv Japan Ltd.,
- Fujikura, Ltd. and Fujikura Automotive America LLC,
- Hitachi Automotive Systems, Ltd.,
- Kyungshin-Lear Sales and Engineering, LLC,
- Lear Corporation,
- Nippon Seiki Co., Ltd.; N.S. International, Ltd.; and New Sabina Industries, Inc.,
- Panasonic Corporation and Panasonic Corporation of North America,
- Sumitomo Electric Industries, Ltd.; Sumitomo Wiring Systems, Ltd.; Sumitomo Electric Wiring Systems, Inc. (incorporating K&S Wiring Systems, Inc.); and Sumitomo Wiring Systems (U.S.A.) Inc.,
- T.RAD Co., Ltd. and T.RAD North America, Inc.,
- TRW Deutschland Holding GmbH and TRW Automotive Holdings Corporation (now known as “ZF TRW Automotive Holdings Corp.”), and
- Yazaki Corporation and Yazaki North America, Incorporated.

Fourteen persons claiming to be Settlement Class members objected to the Round 1 Settlements, four of whom ultimately withdrew their objections. The Court overruled the remaining objections. Because certain objectors have appealed the Court’s decision, the Round 1 Settlements are not yet final. More information about these Settlements is available at [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

#### **5. WHO ARE THE NON-SETTLING DEFENDANTS?**

A list of all of the Defendants and the vehicle component parts they manufactured and sold is available at [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

#### 7. WHY ARE THESE CLASS ACTIONS?

In class actions, one or more individuals or companies called the “class representatives” sue on behalf of themselves and other people with similar claims in the specific class action. All of these individuals or companies together are the “Class” or “Class members.” In these Class actions, there are a total of fifty-five Class representatives. In a class action, one court may resolve the issues for all Class members, except for those who exclude themselves from the Class.

#### WHO IS INCLUDED IN THE CLASSES

#### 8. HOW DO I KNOW IF I MAY BE INCLUDED IN THE ROUND 2 SETTLEMENT CLASSES?

Generally, you may be included in one or more of the Round 2 Settlement Classes if, at any time from 1996 to 2016, you: (1) bought or leased a qualifying new vehicle in the U.S. (not for resale), or (2) paid to replace one or more of the qualifying vehicle parts listed in Question 6 above (not for resale). In general, qualifying vehicles include four-wheeled passenger automobiles, cars, light trucks, pickup trucks, crossovers, vans, mini-vans, and sport utility vehicles.

The specific definition of the vehicles, as well as the definition of who is included in the Round 2 Settlement Classes, is set forth in each Settlement Agreement. Each of those Settlement Agreements, and the related Complaints, are accessible on the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com) or can be obtained by calling 1-877-940-5043.

You will also be able to obtain additional information to learn whether you are a member of one or more of the Round 1 and Round 2 Settlement Classes by visiting the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com) and

providing details regarding your purchase or lease of a new vehicle or your purchase of a replacement part or by calling 1-877-940-5043.

A separate Settlement Class has been preliminarily approved by the Court in each of the following cases settled by the Round 2 Settling Defendants and their affiliates. The time period covered by the Round 2 Settlements for each of the Settlement Classes is provided below:

These cases are proceeding as class actions seeking monetary recovery for consumers and businesses in 30 states and the District of Columbia, and for nationwide injunctive relief to stop the Defendants' alleged illegal behavior and prevent this behavior from happening in the future (*see* Question 15).

Purchasers or lessees of qualifying new vehicles or indirect purchasers of any of the replacement parts listed in Question 6 may be members of the Settlement Classes entitled to monetary recovery. Only those Settlement Class Members who, during the relevant time periods listed above, purchased or leased a vehicle or purchased a replacement part while (1) residing or (2) as to businesses, having the principal place of business located, in the District of Columbia or the states listed below will be entitled to share in the monetary recovery. Those states are: Arizona, Arkansas, California, Florida, Hawaii, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia, and Wisconsin. You may have seen a prior notice that indicated that members of the Settlement Classes may be entitled to monetary recovery if the purchase or lease transaction occurred in the District of Columbia or one of the listed states. Please note that the prior information as to the place of the purchase or lease transaction is replaced by this notice.

#### **9. WHO IS NOT INCLUDED IN THE SETTLEMENT CLASSES?**

The Settlement Classes do not include:

**Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)**

- Any of the Defendants, their parent companies, subsidiaries, and affiliates;
- Any co-conspirators;
- Federal government entities and instrumentalities;
- States and their political subdivisions, agencies, and instrumentalities; and
- All persons who purchased their vehicle parts directly from the Defendants or for resale.

#### 10. WHY ARE THE LAWSUITS CONTINUING IF THERE ARE SETTLEMENTS?

The Round 2 Settlements have been reached with the Round 2 Settling Defendants (listed in Question 3) as specified in the individual Settlement Agreements. The lawsuits will continue against all of the remaining Defendants who have not settled (“Non-Settling Defendants”).

Additional money may become available in the future as a result of a trial or future Settlements. Alternatively, the litigation may be resolved in favor of the Non-Settling Defendants, and no additional money may become available. There is no guarantee as to what will happen.

Please visit the website, [www.AutoPartsClass.com](http://www.AutoPartsClass.com), and register to be notified about any future Settlements or to file a claim.

### THE ROUND 2 SETTLEMENTS’ BENEFITS

#### 11. WHAT DO THE ROUND 2 SETTLEMENTS PROVIDE?

The Round 2 Settlements totaling \$379,401,268 are now being presented to the Court for approval. The Court has already approved the Round 1 Settlements, totaling \$224,668,350 in 19 cases. Together, the Round 1 and Round 2 Settlement Funds total approximately \$604 million. After deduction of attorneys’ fees, notice and claims administration costs, and litigation expenses, as approved by the Court, the Net Settlement Funds will be available for distribution to Class members who timely file valid claims.

The Round 2 Settlements also include non-monetary relief (*see* Question 15), including cooperation, as well as, with the exception of Leoni, agreements by these Settling Defendants not to engage in the conduct that is the subject of the lawsuits, as more fully described in the proposed Final Judgments located on the Settlement website [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

The Settlement Funds are allocated to the relevant vehicle component cases as follows:

### **HOW TO GET BENEFITS**

#### **12. HOW DO I SUBMIT A CLAIM?**

You may be entitled to a portion of the Settlement Funds when a distribution is made to Class members of the Settlement Classes. If you excluded or exclude yourself from any of the Settlement Classes in the Round 1 or Round 2 Settlements, you will not receive a payment from those funds.

However, you will be required to submit a Claim Form to be eligible to receive a payment from any of the Settlement Funds. No deadline has yet been set by the Court for the submission of the Claim Form, but you can file your claim now. Claims may be submitted online at [www.AutoPartsClass.com](http://www.AutoPartsClass.com) or by printing and mailing your completed form to:

Auto Parts Claims Administrator  
P.O. Box 10163  
Dublin, OH 43017-3163

You may also call 1-877-940-5043, write the Claims Administrator at the address above, or visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com) to obtain a Claim Form.

If you submit a Claim Form or register at the Settlement website, you will receive future notifications containing additional important information, including information about any future Settlements.

**Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)**

### **13. HOW MUCH MONEY CAN I GET?**

The amount of your recovery will be determined by the Plan of Allocation, the terms of which are posted on the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

Class Counsel has proposed a Plan of Allocation to distribute the Net Settlement Funds from the Round 1 and Round 2 Settlements to the members of the Settlement Classes. If the Court approves the Plan of Allocation, payment will be made on a *pro rata* basis to Settlement Class members who submit claims that are allowed by the Court, which will be based on a ratio consisting of the claimant's total number of vehicles purchased or leased or replacement parts purchased, and the total number of vehicles purchased or leased and replacement parts purchased by other claimants. Claims based on vehicles containing automotive parts that were specifically targeted by Defendants' alleged collusive conduct receive more money. The amount of money Class members are eligible to receive is based on information obtained by Class Counsel during discovery as well as the cooperation provided by the Round 1 and 2 Settling Defendants.

At this time, it is unknown how much each Settlement Class member who submits a valid claim will receive. Payments will be based on a number of factors, including at least the number of valid claims filed by all Settlement Class members and the number of (1) qualifying new vehicles purchased or leased or (2) qualifying replacement parts purchased. It is possible that any money remaining after claims are paid will be distributed to charities, governmental entities, or other beneficiaries approved by the Court. No matter how many claims are filed, no money will be returned to the Settling Defendants after the Court finally approves the Round 2 Settlements.

In order to receive a payment from any of the Settlements (Round 1 and Round 2), you will need to file a valid Claim Form. If you want to be kept updated about any future settlements, you should register at [www.AutoPartsClass.com](http://www.AutoPartsClass.com) or file a Claim Form.

### **14. WHEN WILL I GET A PAYMENT?**

Payments may be distributed to Settlement Class members after the Court grants final approval to the Round 2 Settlements and any appeals from such approvals are resolved. Appeals can take several years to conclude.

### **15. WHAT IS THE NON-MONETARY RELIEF?**

With the exception of Leoni, the Round 2 Settling Defendants have agreed not to engage in certain specified conduct that would violate the antitrust laws that are at issue in these lawsuits for a period of two years. Additionally, all of these Settling Defendants will cooperate with the Plaintiffs in their ongoing litigation against the Non-Settling Defendants.

## **REMAINING IN THE CLASSES**

### **16. WHAT HAPPENS IF I REMAIN IN THE SETTLEMENT CLASSES?**

If the Round 2 Settlements become final, you will give up your right to sue these Settling Defendants on your own for the claims described in the Settlement Agreements unless you exclude yourself from one or

**Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)**

more of the Settlement Classes. You also will be bound by any decisions by the Court relating to any Round 2 Settlements from which you do not exclude yourself.

In return for paying the Settlement amounts and providing the non-monetary benefits, the Round 2 Settling Defendants (and certain related entities defined in the Settlement Agreements) will be released from claims relating to the alleged conduct involving the vehicle parts identified in the Settlement Agreements. The Round 2 Settlement Agreements describe the released claims in detail, so read them carefully since those releases will be binding on you if the Court approves these Settlements. If you have any questions, you can talk to Class Counsel listed in Question 20 for free, or you can, of course, talk to your own lawyer (at your own expense) if you have questions about what this means. The Round 2 Settlement Agreements and the specific releases are available at [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

## EXCLUDING YOURSELF FROM THE SETTLEMENT CLASSES

### 17. HOW DO I GET OUT OF THE SETTLEMENT CLASSES?

To exclude yourself from one or more of the Settlement Classes, you must send a letter by mail stating that you want to be excluded from *In re Automotive Parts Antitrust Litigation*, MDL No. 12-2311, and specifying which Settlement Class or Classes (including the specific automotive part case) you wish to be excluded from. If you did not timely request to be excluded from the Round 1 Settlements, you may not do so at this time. You may only request to be excluded from the Settlement Classes for the Round 2 Settlements.

Your letter must also include:

- Your name, address, and telephone number;
- Documents reflecting your purchase or lease of a new eligible vehicle and/or purchase of the applicable replacement part. Purchase or lease documentation should include: (a) the date of purchase or lease, (b) the make and model year of the new vehicle, (c) the state where the new vehicle was purchased or leased, and (d) the amount paid. Replacement part documentation should include: (a) the date of purchase, (b) type of replacement part purchased, (c) the state where the replacement part was purchased, and (d) the amount paid; and
- Your signature.

If you are seeking to exclude yourself from one or more of the Round 2 Settlement Classes, you are also requested (but not required) to state in your letter the number of new vehicles you purchased from March 1, 1996 to August 29, 2016.

Any request for exclusion must be received no later than **March 16, 2017**, and mailed to:

Automotive Parts Indirect Exclusions  
P.O. Box 10163  
Dublin, OH 43017-3163

### 18. IF I DON'T EXCLUDE MYSELF, CAN I SUE FOR THE SAME THING LATER?

No. Unless you exclude yourself, you give up any right to sue the Round 2 Settling Defendants for the claims being released in this litigation.

Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)

**19. IF I EXCLUDE MYSELF, CAN I STILL GET MONEY BENEFITS?**

No. If you exclude yourself from the Settlement Class(es) in any of the Round 2 Settlements, you will not get any money as a result of the Settlement in that case. However, you may exclude yourself from one or more of the Settlement Classes for any of the Round 2 Settlements, but remain in the Settlement Classes for other Round 2 Settlements. In that case, you may receive money from the Round 2 Settlements for the Settlement Classes in which you remain a Class member.

**THE LAWYERS REPRESENTING YOU****20. DO I HAVE A LAWYER REPRESENTING ME?**

The Court has appointed the following law firms as Settlement Class Counsel to represent you and all other members of the Classes:

Steven Williams Cotchett, Pitre, & McCarthy LLP San Francisco Airport Office Center 840 Malcolm Road, Suite 200 Burlingame, CA 94010	Hollis Salzman Robins Kaplan LLP 601 Lexington Avenue Suite 3400 New York, NY 10022	Marc M. Seltzer Susman Godfrey L.L.P. 1901 Avenue of the Stars Suite 950 Los Angeles, CA 90067
--	---	--

You will not be charged for contacting these lawyers. If you want to be represented by your own lawyer, you may hire one at your own expense.

**21. HOW WILL THE LAWYERS BE PAID?**

At the upcoming final fairness hearing, Class Counsel may ask the Court (a) to reimburse them for certain costs and expenses, and (b) for attorneys' fees based on their services in this litigation, not to exceed 27.5% of the approximately \$379 million in additional Settlement Funds resulting from the Round 2 Settlements after deducting reimbursable costs and expenses. Any payment to the attorneys will be subject to Court approval, and the Court may award less than the requested amount. The attorneys' fees, costs, and expenses that the Court orders, plus the costs to administer the Round 2 Settlements, will come out of the Settlement Funds. Class Counsel may seek additional attorneys' fees, costs, and expenses from any additional Settlements or recoveries obtained in the future.

When Class Counsel's motion for fees, costs and expenses is filed, it will be available at [www.AutoPartsClass.com](http://www.AutoPartsClass.com). The motion will be posted on the website at least 45 days before the Court holds a hearing to consider the request, and you will have an opportunity to comment on the motion (*see* Question 22).

Register at the website or call 1-877-940-5043 to receive notice when the motion is filed.

Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)

## OBJECTING TO THE ROUND 2 SETTLEMENTS

### 22. HOW DO I OBJECT TO OR COMMENT ON THE ROUND 2 SETTLEMENTS AND/OR THE PLAN OF ALLOCATION?

If you have objections to or comments about any aspect of one or more of the Round 2 Settlements or the Plan of Allocation as it applies to members of the Round 1 and Round 2 Settlement Classes, you may express your views to the Court. You can only object to or comment on one or more of the Round 2 Settlements or the Plan of Allocation if you do not exclude yourself from the applicable Settlement Class or Classes.

To object to or comment on a Round 2 Settlement, you must specify which Settlement (including the specific vehicle part) you are objecting to and include the following in your objection letter:

- Your name, address, and telephone number;
- Documents reflecting your purchase or lease of a new eligible vehicle and/or purchase of the applicable replacement part. Purchase or lease documentation should include: (a) the date of purchase or lease, (b) the make and model year of the new vehicle, (c) the state where the new vehicle was purchased or leased, and (d) the amount paid. Replacement part documentation should include: (a) the date of purchase, (b) type of replacement part purchased, (c) the state where the replacement part was purchased, and (d) the amount paid;
- The name of the Settling Defendant whose Settlement you are objecting to or commenting on;
- The vehicle part case that is the subject of your objection(s) or comments;
- The reasons you object to the Settlement or the Plan of Allocation, along with any supporting materials; and
- Your signature.

Any comment or objection must be received no later than **March 16, 2017**, and mailed to:

<b>Court</b>	<b>Notice Administrator</b>
U.S. District Court for the Eastern District of Michigan Clerk's Office Theodore Levin U.S. Courthouse 231 W. Lafayette Blvd., Room 564 Detroit, MI 48226	Auto Parts Settlements Objections P.O. Box 10163 Dublin, OH 43017-3163

### 23. WHAT IS THE DIFFERENCE BETWEEN EXCLUDING MYSELF FROM THE SETTLEMENT CLASSES AND OBJECTING TO THE ROUND 2 SETTLEMENTS?

If you exclude yourself from one or more of the Round 2 Settlement Classes, you are telling the Court that you do not want to participate in the Round 2 Settlement(s) from which you exclude yourself. Therefore, you will not be eligible to receive any benefits from those Round 2 Settlement(s), and you will not be able to object to them. Objecting to a Round 2 Settlement simply means telling the Court that you do not like something about the Settlement. Objecting does not make you ineligible to receive a payment.

**Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)**

## THE FINAL FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the Round 2 Settlements and any requests by Settlement Class Counsel for fees, costs, expenses, and class representative awards. The Court may also decide whether to approve the Plan of Allocation for the distribution of the Net Settlement Funds in the Round 1 and Round 2 Settlements. You may attend and you may ask to speak, but you do not have to do so.

### 24. WHEN AND WHERE WILL THE COURT DECIDE WHETHER TO APPROVE THE ROUND 2 SETTLEMENTS?

The Court will hold a Final Fairness Hearing at X:XX p.m. on **April 19, 2017**, at the United States Courthouse, 231 W. Lafayette Blvd, Detroit, MI 48226, Room 272. The hearing may be moved to a different date or time without additional notice, so check [www.AutoPartsClass.com](http://www.AutoPartsClass.com) or call 1-877-940-5043 for current information. At this hearing, the Court will consider whether the Round 2 Settlements are fair, reasonable, and adequate. If there are objections or comments, the Court will consider them at that time and may listen to people who have asked to speak at the hearing. The Court may also decide how much to pay Settlement Class Counsel. At or after the hearing, the Court will decide whether to approve the Round 2 Settlements.

The Plan of Allocation may also be considered at the Final Approval Hearing, along with the fairness of the Round 2 Settlements, and any application for attorneys' fees, and reimbursement of expenses. The Plan of Allocation may also be considered at later hearings before the Court, and notice of such hearings will be provided on the website [www.AutoPartsClass.com](http://www.AutoPartsClass.com).

### 25. DO I HAVE TO ATTEND THE HEARING?

No. Class Counsel will answer any questions the Court may have. But you are welcome to attend at your expense. If you send an objection or comment, you do not have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also hire your own lawyer at your own expense to attend on your behalf, but you are not required to do so.

### 26. MAY I SPEAK AT THE HEARING?

If you send an objection or comment on the Round 2 Settlements as described in Question 22, you may have the right to speak at the Final Fairness Hearing as determined by the Court. You cannot speak at the hearing about a Round 2 Settlement if you exclude yourself from that specific Settlement Class.

## THE TRIALS

### 27. WHEN AND WHERE WILL THE TRIALS AGAINST THE NON-SETTLING DEFENDANTS TAKE PLACE?

If the cases are not dismissed or settled, the Plaintiffs will have to prove their claims against the Non-Settling Defendants at trial. Trial dates have not yet been set.

Questions? Call 1-877-940-5043 or Visit [www.AutoPartsClass.com](http://www.AutoPartsClass.com)

At the trial, a decision will be reached about whether the Plaintiffs or the Non-Settling Defendants are right about the claims in the lawsuits. There is no guarantee that the Plaintiffs will win any money or other benefits for Class members at trial.

**28. WHAT ARE THE PLAINTIFFS ASKING FOR FROM THE NON-SETTLING DEFENDANTS?**

The Class representatives are asking for money for Settlement Class members in the District of Columbia and 30 states listed in Question 8 above. The Class representatives are also seeking a nationwide court order to prohibit the Non-Settling Defendants from engaging in the alleged behavior that is the subject of the lawsuits.

**29. WILL I GET MONEY AFTER THE TRIALS?**

If the Plaintiffs obtain money or benefits as a result of a trial or Settlement with any of the Non-Settling Defendants, Settlement Class members will be notified about how to ask for a share or what their other options are at that time. These things are not known right now.

**EXHIBIT 8**

## If You Bought or Leased a New Vehicle, or Bought Certain Replacement Parts for a Vehicle Since 1996

***You Could Get Money From Settlements Totaling Approximately \$604 Million***

Twelve defendant groups and their affiliates have agreed to Settlements resolving claims that they fixed the price of certain vehicle components. This may have caused individuals and businesses to pay more for certain new vehicles and replacement parts. These Settling Defendants deny any claims of wrongdoing.

### **Am I included?**

You may be included if, from 1996 to 2016, you: (1) bought or leased a qualifying new vehicle in the U.S. (not for resale) or (2) bought a qualifying vehicle replacement part (not for resale) from someone other than the manufacturer of the part. In general, qualifying vehicles include four-wheeled passenger automobiles, cars, light trucks, pickup trucks, crossovers, vans, mini-vans, and sport utility vehicles. Visit the website or call for a full list of Settling Defendants and applicable time periods and to determine whether you are included.

### **What do the Settlements provide?**

The Settlements, totaling \$379,401,268, are being presented to the Court for approval. The Court previously approved settlements, totaling \$224,668,350. The Settlement Funds (minus expenses, attorney fees, and other costs) will be used to pay consumers and businesses in 30 states and the District of Columbia. The Settlements also include non-monetary relief, including cooperation, and agreements by certain Settling Defendants not to engage in certain conduct for a period of 24 months.

The 30 states are: Arizona, Arkansas,

California, Florida, Hawaii, Iowa, Kansas, Maine, Massachusetts, Michigan, Minnesota, Mississippi, Missouri, Montana, Nebraska, Nevada, New Hampshire, New Mexico, New York, North Carolina, North Dakota, Oregon, Rhode Island, South Carolina, South Dakota, Tennessee, Utah, Vermont, West Virginia, and Wisconsin.

### **How can I get a payment?**

You must submit a Claim Form online or by mail. There is no deadline yet to submit a claim. You can get a Claim Form at the website or by calling the toll-free number below. At this time, it is unknown how much each Class member who submits a valid claim will receive. Payments will be based on a Plan of Allocation, which is available for review at the website.

### **What are my rights?**

Even if you do nothing, you will be bound by the Court's decisions. If you want to keep your right to sue, you must exclude yourself by **March 16, 2017**. If you do not exclude yourself, you may object to one or more of the Settlements applicable to the Settlement Class in which you remain by **March 16, 2017**.

The Court will hold a hearing on **Month 00, 2017** to consider whether to approve the Settlements. Settlement Class Counsel may also request reimbursement of costs and expenses as well as attorneys' fees of up to 27.5% of the Settlement Funds (minus costs and expenses). You or your own lawyer may appear and speak at the hearing at your own expense.
