**END-PAYOR PLAINTIFFS' NOTICE OF FORTHCOMING *PRO RATA*
DISTRIBUTION TO AUTHORIZED CLAIMANTS**

End-Payor Plaintiffs (“EPPs”), by their Settlement Class Counsel,¹ respectfully notify the Court of the forthcoming *pro rata* distribution of Net Settlement Funds to Authorized Claimants based on the claims administration determinations of the Court-appointed Settlement Administrator, Epiq Class Action & Claims Solutions, Inc. (“Epiq”), described in the Declaration of Peter T. Sperry (“Sperry Decl.”) attached hereto.

Epiq will be making at this time the initial *pro rata* payments from the Net Settlement Funds to Authorized Claimants, subject to the Court-authorized reserve, of the balance remaining in the Net Settlement Funds.²

The Court previously approved distribution of \$100 minimum payments to all Authorized Claimants.³ The Court subsequently approved the *pro rata* distribution

¹ Unless otherwise defined herein, all capitalized terms shall have the meaning set forth in End-Payor Plaintiffs’ Motion for *Pro Rata* Distribution to Authorized Claimants. *See, e.g.*, No. 2:12-cv-00103 (Dec. 27, 2024), ECF No. 664.

² This *pro rata* distribution will exclude the reserve of 15% of the Net Settlement Funds, which the Court authorized the Settlement Administrator to create to be used for: (1) the payment of administrative expenses; (2) the resolution of any matters that might arise in connection with the distribution of the proceeds of the remaining Net Settlement Funds; and (3) Settlement Class Counsel’s application for attorneys’ fees and reimbursement of costs and expenses. *See, e.g.*, Amended Order Approving End-Payor Plaintiffs’ Motion for *Pro Rata* Distribution to Authorized Claimants at 5, Master File No. 2:12-md-02311 (Mar. 18, 2025), ECF No. 2270 (“*Pro Rata* Distribution Order”). It is anticipated that Epiq will make a second *pro rata* distribution from any residual amount of the Net Settlement Funds within fifteen months of issuing the initial checks in the first *pro rata* distribution, if economically feasible. *Id.* at 9.

³ *See, e.g.*, Order Overruling Financial Recovery Services’ Objections and

of the Net Settlement Funds to Authorized Claimants and the methods used to calculate the claim amounts for Authorized Claimants.⁴ Epiq has advised Settlement Class Counsel that the deadline to object to or seek Court review of a specific determination of a claim pursuant to paragraph 3.b of the *Pro Rata* Distribution Order has now expired without objection from any Authorized Claimants.⁵

Accordingly, Epiq will promptly cause the *pro rata* distribution to Authorized Claimants.

**DECLARATION OF PETER SPERRY REGARDING
END-PAYOR PLAINTIFFS' NOTICE OF FORTHCOMING *PRO RATA*
DISTRIBUTION TO AUTHORIZED CLAIMANTS**

I, PETER T. SPERRY, hereby declare as follows:

1. I am an employee of Epiq Class Action & Claims Solutions, Inc. ("Epiq" or "Settlement Administrator"). I currently serve as one of the Project Directors for this matter on behalf of Epiq. I have more than eleven years of experience handling all aspects of class action settlement administration. The statements of fact in this Declaration are based on my personal knowledge and

information provided to me by other experienced Epiq employees working with me and under my supervision. If called on to do so, I could and would testify competently thereto.

2. The Court appointed Epiq as the Settlement Administrator on October 13, 2015. *See, e.g.*, Corrected Order Granting End-Payor Plaintiffs' Motion for Authorization to Disseminate Notice to the End-Payor Plaintiff Settlement Classes, No. 2:13-md-02203 (Oct. 13, 2015, ECF No. 152).¹ I submit this Declaration to report on the status of the Settlement Administrator's issuance of, and claimants' responses to, Claim Determination Notices that were authorized by the Court's March 18, 2025 Amended Order Approving End-Payor Plaintiffs' Motion for Pro Rata Distributions to Authorized Claimants (ECF No. 2270) (the "Order").

3. Following the Court's Order, between April 25, 2025 and April 28, 2025, Epiq sent 19,991 Claim Determination Notices to eligible claimants by email, representing 33,373 unique claims.² On May 12, 2025, Epiq mailed 2,910 Claim Determination Notices where Epiq did not have an email address on file, and on May 16, 2025, Epiq mailed an additional 5,305 Claim Determination Notices to eligible

¹ In 2018, Epiq acquired Garden City Group, the original Court-appointed settlement administrator, and became its successor.

² To the extent that a third-party claims filer submitted claims on behalf of multiple claimants, Epiq sent the third-party claims filer a single consolidated Claims Determination Notice reporting on Epiq's determination of each of the claimants represented by the third-party claims filer.

claimants where the initial emailed determination letter was returned as undeliverable.³

4. Claim determination letters that Epiq sent via email included an Excel spreadsheet report as an attachment that was comprised of two tabs:

- a. The first tab included a summary of Epiq's claim determinations based on the information contained in the Claim Forms submitted by the eligible claimant or third-party claims filer that included, among other details, the total number of vehicles submitted in the Claim Forms, the vehicles eligible for payment from the Rounds 1 through 4 Settlements, vehicles deemed not eligible for payment, sampling details, the Adjusted Validation Rate, and Adjusted Point Value for each claim.
- b. The second tab included a vehicle-by-vehicle analysis stating if the vehicle was eligible for payment from any of the Rounds 1 through 4 Settlements or denied or deemed ineligible for payment and the basis of that denial or ineligibility.

³ Epiq only issued Claim Determination Notices to those claimants that it determined to be eligible for an additional *pro rata* payment based on the funding amounts set forth in Exhibit A to End-Payor Plaintiffs' December 27, 2024 Motion For *Pro Rata* Distributions to Authorized Claimants. (ECF No. 664).

An exemplar of a Claim Determination Notice, along with the accompanying spreadsheet report, emailed by Epiq is attached as Exhibit A. Claim Determination Notices that Epiq sent by regular mail included instructions detailing how a Settlement Class Member could request an Excel report. An exemplar of a Claim Determination Notice that Epiq mailed is attached as Exhibit B.

5. The Claim Determination Notices expressly provided eligible claimants with an opportunity to object to the claims determinations made by the Settlement Administrator by notifying the Settlement Administrator within 20 days of receipt of an emailed Claim Determination Notice or 30 days of receipt of a mailed Claim Determination Notice. The Claim Determination Notices further provided that if the Settlement Administrator and claimant were unable to resolve the objection, the claimant could file with the Court a request to review any remaining unresolved objections no later than 10 days after the Settlement Administrator's final determination on the written objections unless Settlement Class Counsel and the Authorized Claimant agreed in writing to additional time.

6. 380 timely objections were submitted by claimants disputing various denials or details made pursuant to the Claim Determination Notices. Epiq reviewed the substance of each objection received and implemented updates or corrections as identified in the submitted objection, where applicable. Following its review, Epiq circulated to the objecting party any corrections or other changes implemented for

the claim submissions that were identified in the objection and issued a final determination on the objections. Following Epiq's final determinations on the objections, no parties sought review with the Court. It is Epiq's understanding that all objections have been resolved based on the communications it received from the objectors.

7. After resolving all objections received relating to the Claim Determination Notice process, Epiq determined that a total of 38,436 claimants are eligible to be paid a combined approximate total of \$830 million in the initial *pro-rata* distribution.⁴ The *pro rata* payment amounts were calculated utilizing the methodology detailed in the December 27, 2024 Declaration of Michelle M. La Count, Esq., Regarding End-Payor Plaintiffs' Motion for *Pro Rata* Distributions to Authorized Claimants, (ECF No.664-1).

8. For those third-party claims filers that have elected to receive their Settlement Class Member clients' *pro rata* payments by wire transfer, Epiq will circulate a report to the third-party claims filer detailing the individual *pro rata* payment due to each of their eligible claimant clients ("Third-Party Filer Clients"). As a condition to receiving a wire transfer payment, third-party claims filers shall be required to stipulate that they will remit payment to the eligible Third-Party Filer

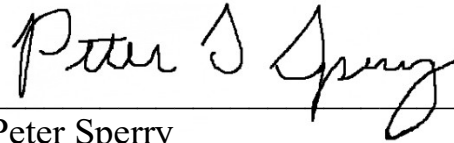

⁴ Funding details provided to Epiq by Settlement Class Counsel as of June 30, 2025, were used for purposes of this total.

Client according to the claims information and award amounts stated in the report to be provided by Epiq.

9. If, within 180 days of receipt of the proceeds, a third-party claims filer does not remit award payments to its Third-Party Filer Client, then the third-party claims filer shall be obligated return to the Settlement Administrator all award payments allocable to such Third-Party Filer Client. In addition, the third-party claims filer shall be obligated to comply with various reporting requirements, which include the submission of a sworn declaration within 180 days following receipt of the distribution, in a form to be approved by Settlement Class Counsel, that details: (1) the *pro rata* payments successfully passed onto each Third-Party Filer Client; and (2) those payments that were not passed on. For those Fleet Management Companies that are required to follow a controlling stipulation or order of the Court, the Settlement Administrator will distribute a modified stipulation to applicable third-party claims filers detailing the payment information in accordance with the stipulation or order.

10. For those third-party claims filers that receive checks, Epiq will make the check payable to the third-party claims filer and the eligible Third-Party Filer Client.

11. I declare under penalty of perjury under the laws of the United States and the State of Washington that the foregoing is true and correct, and that this Declaration was executed on September 19, 2025, in Kent, Washington.

NOTICE OF CLAIM DETERMINATION

Dear [Claimant Name]:

This letter is to inform you that your submission to the Administrator has been determined to be potentially eligible for a *pro rata* payment from the Rounds 1 through 4 Auto Parts Settlements. We do not have a valid email address associated with your submission and are unable to send you a detailed determination report. If you would like to receive a report that provides an overview of your submission and a vehicle-by-vehicle breakdown of which vehicles the Administrator denied or found eligible for inclusion for payment from the Rounds 1 through 4 Settlements, you must submit a request by email to Info@AutoPartsClass.com that includes the email address where you would like to receive your submission's determination reporting.

Any request for determination reporting and contesting of the determinations included in the reporting must be submitted to the Settlement Administrator no later than **[Today's Date + 30 Days]**. If you wish to contest any determination(s) included in the report, please include any supporting evidence to corroborate your belief in an email to Info@AutoPartsClass.com. You do not need to request this report to maintain eligibility for any potential *pro rata* payment.

Sincerely,
Settlement Administrator
